Tibit - June 15, 2014, 9:10 pm

[Audio Version](#) - Narrated by [Eternal.](#)

[Audio Version 2](#) - Narrated by [#Thunder](#)

Tom will always be here and is the best at butt sex, when he tops. My asshole is wrecked afterwards. I always enjoy a nice wet bread sandwich after good old butt sex. Do you think Tom will get leader? I sure think so. Especially after last night. ?

Here is the story of last night. We started off with a few drinks and wobbling to the bed. After a bit, I noticed Tom was moving closer and closer to me. I, for some reason, decided to put my hand into his pants. I felt his rock hard cock and couldn't believe how big it was. I was curious, so I told him to stand up. I undid his pants and his dick popped out like a spring. It was big, hard, and begging to be touched. I got onto my knees and started to cup his balls.

His dick hit my face and kept pushing for my mouth. I gave in and opened wide. Immediately, I started to gag on his big cock. After getting used to it, I started to suck and lick the tip of his dick. Tom moaned out in a wave of pleasure as I licked the tip of his dick. It tasted amazing as drops of pre-cum squirted from the tip. I stood up and started to remove my pants.

My dick was hard, and Tom took a notice to it. He started to stroke my shaft and a wave of pleasure came over me. I was a bit scared, but I liked it and pushed him to keep going. After a bit, he decided to blow me. That had to be one of the best feeling of my life. I wanted his dick in my ass, now. I jumped to the bed and got on all fours. Tom went to the night stand and got some lube and put a lot in his hand. He rubbed my ass with lube and the rest covered his dick.

I could feel the cock slowly burying into my tight ass as I was fucked in doggy style. The heat was almost unbearable and the sheets were soaking wet. Then, I was turned onto my back and fucked in a missionary position. The sweat from Tom's hair kept dripping onto my chest. This continued on for at least 20 minutes, until there was a final push. A warm substance filled my rectum as I moaned in pleasure.

We laid on the bed, sweating and breathing heavily. After a few minutes, Tom got up and went to the bathroom. I heard him yell, "Hey Tibit, want to shower?" I replied to him, "No thanks, I shower in the morning!" His final reply was, "So do I." I got my sweaty ass up and ran to the bathroom.

The light was sort of blinding, but then the outline of Tom's beautiful butt came into my vision. I went into the hot shower and bent over onto the wall. Tom took some lube and rubbed it all over my ass and his cock. The next thing I know my ass is being penetrated even harder than before. My screams were getting louder and louder as the pounding went on.

It was so hot, my ass was filled with a dick and the hot water was running down my entire body. I felt Tom slip his cock out of my ass and another warm substance was squirted all over my back. Tom washed my back off and we got out of the shower. After drying off, we returned to the now bare

bed, tired from all of the butt sex. He whispered into my ear, "This is why you should pick Uranus as the new name for 143," and we fell asleep.

So in conclusion, this is how I chose the new name of 143. Long live Uranus! ?

This story was written by 'Sin, I was forced to post this thread. Please help me if you see this. D:

So is this a girl sucking Tom's cock or a guy? Because the narration makes it sound like a gay guy sucking Tom's sperm squirting cock.

Got really busy, but finally finished part 3. It's in The Empire sub-forum right now, should be public later today, getting audio for it too.
