Thread: [\[CLOSED\] Quick & Fast Upgrade Contest! \[REG - L33T or L33T - UB3R\] 2 winners!](#)

gore - June 16, 2014, 1:55 am

First contest I've ever done on HF, but I came across some money recently and want to give back to the forum after being here a bit over 2 years now ?

Tired of waiting weeks for upgrade contest to end, only to possibly find out you didn't win? Well now, even if you don't win, this contest will only last a couple hours and winners will be chosen!

Reg -> L33T requirements: - 60+ post
- Registered for over a month
- Not in the neg (rep wise)

L33T -> UB3R requirements: - HQ posts.
- MUST BE APPROVED FOR UB3R
- No open/unresolved scam reports

If you meet those requirements, POST!
If you don't and post anyways, you'll be unable to win even if I pick your number.
Spoiler [\(Click to View\)](#) I have no life so I will be checking everyone who posts

I'll keep this open until some time tomorrow/late today (the 16th of June it'll close).
I will pick 2 winners based on post # and via [Random.org](#)

DON'T POST MORE THAN ONCE ON YOU'RE DISQUALIFIED.
I will check >__>

And the winners were... *drumroll*
[Dternity \(#6\)](#)

[Maick_ \(#22\)](#)

(32 was a disqualified member, hence why it doesn't count)
PMed both the winners, thanks everyone for participating!

Goodluck to all contestants ?No numbers to chose from (:

Just gotta post and your post number will do it just fine.
For example, you're post #3
?

Wanted to include a funny joke here but couldn't, so i'll just say something completely random and it isn't about me at all:

I have no life (I'm dead.)
I have no Soul
I have no money (I actually only have 6\$)
I have no Soda(That's a lie but i have like 1dl left so it doesn't count)
I have no memories
I have no leet.

I would very much appreciate it if members took time and made sure they're eligible for this under my requirements.

Just scanning over, I've found -Distro who hasn't been registered for a month, like my requirements state.

Will go over this more later on when I wake up, but please make sure you meet ALL requirements for posting to enter. Otherwise you will not be acknowledged.

Thank you. ?

This contest will end some time today (the 16th).

When the replies cease for a period of time, I'll close it and pick the winners!

It might be within the next few hours after I get back from my MRI, but we will see.

Good luck to all~

Was gunna try to do it before, but my MRI was late and I'm falling asleep as I'm typing this, lol.

Give a few more people a chance to join in!

ATTENTION ALL L33TS DOING THIS FOR UB3R UPGRADE: Make absolute sure your account is approved for ub3r PRIOR TO POSTING IN HERE.

I will ask for proof for any l33t (or possibly two) that wins this to prove they are approved before I send them the upgrade. ?

Apply for upgrade approval here: <https://hackforums.net/ub3rupgrade.php>

I have already entered, so dont count this post!

I have had my application in for ages, but there has been still no reply to it. If i win, could I please just get the money so I can upgrade myself after I'm approved? I really want ub3r, I feel like I can give a lot more to the forum if i was ub3r. Thanks heaps OP ?

t0rch - June 16, 2014, 5:18 pm

I'm waiting to hear back about me being accepted for ub3r. I don't see why I won't be. I've seen people with only 100 posts and 10 rep get accepted so I should hopefully ?

Cheers,

BinKill-Ethical ?

Trojan Squid - June 16, 2014, 8:48 pm

Posting to enter, thanks man!
Cool :3

gore - June 16, 2014, 9:10 pm

One of the requirements for this contest for L33Ts is to be approved for UB3R. If you posted and are not accepted (even though you've had your application in for a long time), you will not get anything and I'll pick someone else who read the requirements correctly and followed them before posting.
I will not be giving out any money.

Just woke up, closing this in a few minutes and picking the two winners.
If one (or both) of the winners fall through because they didn't listen, I will open this back up and chose two more.
Also, make sure you follow EVERY requirement for our user group, otherwise you'll be disqualified too.

Reviewing Accounts now and I see:

Disqualified Users:-[Distro](#) (hasn't been here a month)
[Emraan Hashmi](#) (hasn't been here a month)

Iffy Users:[?eshCollider](#) (is yet to be approved)
[?BinKill-Ethical](#) (is yet to be approved)

Iffy users are only under that and not Disqualified because I need to confirm everything first.

Post #'s that don't count (due to it being my post or mutli-post):
2, 4, 13, 18, 19, 32, 42, 51, 52, 58

Closing the thread and picking now!
I will PM the winners and post it here as well, good luck to all! ?
