Thread: [Saddest moment in Anime?](#)

**Krave** - June 16, 2014, 8:08 am

This thread will probably be a clusterfuck of spoilers, stop reading now if you don't want anything spoiled.

What is your saddest moment in Anime? Also include a video if possible.

I guess mine's in Code Geass, the ending whereby Lelouch..

I find that visual novels brings more feels though, compared to anime.

This is possibly one of the saddest scenes in anime I've seen.

Probably for me though, is when Kyoko brings Sayaka's body and meets up with Madoka and Homura. So many tears then.

**Krave** - June 17, 2014, 3:01 am

Looks like I have a lot of Anime's to watch. Thanks for everyone's inputs.

**jeff-the-killer** - June 17, 2014, 3:04 am

That's not even sad. We all knew she wasn't going to die like come on now! ?

**NerdyThird** - June 17, 2014, 3:15 am

Elfen Lied was a pretty good anime, and although it may not have effected others, it had me rollin tears at the end.

I do believe it's somewhat sad and dramatic, every death is even if it was a pseudo-death.

Erh, as for me it's when Suzuha's letter arrives to Okabe and his friends from the nineties. It's depressing as fuck. I can't seem to find a video, though.

**Brook** - June 17, 2014, 3:28 am

It isnt that big a thing, but in one piece. There was a dog that was guarding a destroyed store. Because his owner was dead, but the dog was still waiting for him to return. That was a sad moment in one piece.

**Hikki** - June 17, 2014, 3:28 am

Clannad After Story.

Most of the people will agree with me on this. :c

**Vegas** - June 17, 2014, 3:39 am

Ash. First movie. I don't even want to keep talking about it.

Are you talking about when Ash gets in the middle of that huge battle between Mew and Mew-Two and he gets turned to stone and Pikachu starts crying?

Lmao. I couldn't help but laugh at this. "I don't even want to keep talking about it." I don't know if he's being serious or not, but if so, I just....(´?`)

I can neither confirm nor deny such an emotionally appalling occurrence.

**RLeeH99** - June 17, 2014, 3:42 pm

For me it would be In Clannad After Story when that one person died and in dragonballz when Vegeta and Goku sacrificed themselves. Also when I was little I found the Pokemon movie sad when Ash got turned to stone.

**\_Morgiana\_** - June 17, 2014, 3:52 pm

Well for me it was The ending of Angel Beats Manly tears were shed that day

Oh, my, god, yes. I had a waterfall coming down from both eyes.

**Eliris** - June 18, 2014, 12:58 pm

Saddest moment i think is when robin gave up her life for the one piece crew... and then one piece crew came and save her.

This was pretty heart breaking, Oda (author of one piece) is really good at making touching plots!

**Resign** - June 18, 2014, 4:45 pm

In Code Geass when they surprise Lelouch when he was meeting up with Suzaku.

**nickchan** - June 18, 2014, 4:47 pm

Spoiler ([Click to View](#))

**Wizzyard** - *June 18, 2014, 5:04 pm*

Saddest day in my Anime life would of had to been when Vash killed Knives. Man. Tearing up now.
