Thread: [Simple Thread Design PSD](#)

dawid17 - June 18, 2014, 7:20 am

Im giving the thread design i made to you guys. You can use it where ever you want.

Preview:

Download Link: <http://speedy.sh/saHnR/yourproductfree.psd>

Fonts used: <http://www.dafont.com/lobster.font> and classic Verdana.

Audi RS3 - June 18, 2014, 7:22 am

Thanks Looks nice you should make more PSD's.

-Amaze

Kasual™ - June 20, 2014, 10:55 am

really nice man. I'm using this for my skype resolver. Ill be sure to give you credit.

Snapple Tea - June 20, 2014, 7:01 pm

Nice psd, should be helpful for people to make nicely designed threads.

Edit: Was this even designed by you?

dawid17 - June 21, 2014, 2:54 am

Yes, the design was made by me.

Why would i put something up which i have not make.

I was just curious because at the bottom the name is different than your HF name. I know the names don't have to match, but usually they would.

Silent ? - June 21, 2014, 10:27 am

Looks nice, you should make more designs.

Afterglow - June 21, 2014, 9:33 pm

This design is pretty nice. I plan on starting to giveaway some of my designs once I post and get used to this site a little more!

Pixal - June 22, 2014, 6:11 am

This design is so good. You should make more design

Brule - June 22, 2014, 3:16 pm

Was I supposed to download "yourfreeproduct.psd.exe"?

dawid17 - June 22, 2014, 4:00 pm

(Jun 22, 2014 03:16 PM)Kamzare Wrote: [\[CITE\]](#) Was I supposed to download "yourfreeproduct.psd.exe"?

you were not supposed to click "Download this file for free using Tiny DM manager (exe app) "

you are supposed to click "Download yourproductfree.psd"

Brule - June 22, 2014, 4:34 pm

you are supposed to click "Download yourproductfree.psd"

My mistake, best thread design I've seen for free.

dawid17 - June 22, 2014, 10:45 pm

(Jun 22, 2014 03:16 PM)Kamzare Wrote: [\[CITE\]](#) Was I supposed to download "yourfreeproduct.psd.exe"?

why would you give me -3 rep just because you don't know where to click to download?

Volvic - June 23, 2014, 2:49 am

This is a very nice pack. Thanks :)

Volvic !

d4gn3r0us - June 23, 2014, 5:51 am

Very nice i liked that :)

D4gn3r0us !

dawid17 - July 31, 2014, 8:59 am

New download link: <http://speedy.sh/bCR6E/yourproductfree.psd>

drakZZZPT - July 31, 2014, 11:11 am

I need this to create my own shop!

THX A LOT DUDE <3

No Zodiac - July 31, 2014, 11:38 am

Thanks man,

Tbh ive always struggled like with dimensions etc of one.

So this is pretty useful.

jackson1121 - November 22, 2017, 7:01 pm

Download link does not work could you please email me the PSD, jack1121lmao@gmail.com

~ Happy Holidays.

Please try your best to look at the date of the original post before posting anything.

Congrats. You played yourself.

IDKZAL - *August 9, 2018, 12:09 am*

Can u Update the download link, please? I would really like to use this :)

GirafMan - *December 9, 2018, 8:33 am*

That's a fine design, good work.
