Thread: [Selling BlackOut HTTP V2 - 1 License - \[PayPal/Bitcoin\] 75 USD \(you save 12,50 USD\)](#)

xuNsh1ne - June 19, 2014, 11:33 am

Hello,

I asked the coder and I'm allowed to resell my BlackoutHTTP V2-License.
It's the 125\$ Package with Builder, Updates same Version and Support.
I accept PayPal (ONLY VERIFIED ACCOUNTS) and Bitcoin.

Original-Thread: <https://hackforums.net/showthread.php?tid=4293281>

Trade: You send the Payment, I will contact the Coder that the payment is done and he will give you the Bot.

Price: 75\$ (negotiable)

--> So you get the 125\$ package Builder, Updates same Version, Support at the price of the 75\$ package

For more Information PN me.
Will only trade with trusted members!

Regards,
Nestade

Hello,

Edited the price to 77,50 USD - so you would save 10 USD.
If you buy it please leave a vouch at the sales thread (
<https://hackforums.net/showthread.php?tid=4293281>).
