Thread: [Any badly dubbed Hentai?](#)

zSteve - June 20, 2014, 11:32 pm

Does anyone know where I find some badly dubbed hentai? I don't know why but hearing it all poorly acted out gets me off better then when they actors are professional. There something about it that just gets me rock hard every time.

cacnecac - June 20, 2014, 11:36 pm

I am pretty sure most of them are badly dubbed, google is your friend man lol.

I can't figure out if OP is serious, or trolling. Anyways I've never watched Hentai, but I'm pretty sure p•••hub has hentai.

No I'm being serious. I don't like going to pornhub because of all that yucky real girl stuff. I need a website that is strictly badly dubbed hentai.

Rabbitboy4641 - June 21, 2014, 9:18 am

That sounds too good to be true.

Professor Pantsu - June 21, 2014, 5:41 pm

They're all badly dubbed. Western voice actors suck in general (there's obvious exceptions) , but the hentai voice actors are abysmal.

TheElo124 - June 22, 2014, 7:10 am

loli pantsu when did you return?? we need more old hq fags to return

cacnecac - June 22, 2014, 5:07 pm

"uh uh uh , yeah take that, u like that , yeah take that"

except in a very anticlimatic way.

All dubs.

Lmao, yes try that, you will discover a new kind of Kamasutra after watching it.

zSteve - June 24, 2014, 11:37 pm

I tried Boku No Pico and I can say you are all sick fucks. Are you all pedo's or something? I had to watch that like 10 times just to make sure what I was seeing was real. That being said I got a boner

the size of the Eiffel Tower.
