Title: Heaven's Lost Property

About: Japanese manga series written and illustrated by Suu Minazuki. The plot revolves around Tomoki Sakurai, a highly perverted teenager, who desires to live a peaceful life, but encounters a falling girl with wings named Ikaros, who becomes his servant.

Option/Rank: This is a great anime. I laughed so fucking hard. I love how at random times when someone feeling mad or perverted they shrinks into tiny little versions of them self. Its fucking hilarious. I usually watch animes more for the tits then the story but the story on this is hilarious
