hasansasmaz - June 27, 2014, 12:51 am

You want people to have 25+ rep because you are giving away leaked and public vcw's?

Dude fuck off

IntelliJ - June 27, 2014, 2:15 am

PM'd the user regarding the 25+ rep thing.

Dude fuck off

They are not public vcws while they may not be premium vcws 2 were capped by myself, So pretty much they are unsaturated . and the others are from spliced video found on a certain forum ;) And why shouldn't i put a rep limit ? good rep =- good rewards !

I would also like to state that the only PUBLIC VCWS on the download list are australia vcw and lilly vcw ALL THE REST ARE UNSATURATED !!

XxGhostx - June 27, 2014, 1:01 pm

How many moves do they have? if you could tell me thanks :)

sphdarkstar - June 27, 2014, 1:05 pm

they are free because they have a wave and thats pretty much it . although one might have 2 fingers
