Thread: [\[Giveaway\]1000 Instant Website Hits \[Giveaway\]](#)

Mister Fawkes - June 26, 2014, 9:45 am

Simply PM me your desired address and I'll add it immediately!

Will do this until I'm out of traffic points.

No proxy, traffic is sent via real users who are paid to view websites and the traffic is international ie. there is no restriction on it.

Thanks OP

Added both of you to the list, traffic should start appearing momentarily!
