This is no joke, what if the pilots crashed as a result of getting high?

I'd be more worried about the jet and the pilots than that worthless sack of shit.

The way I heard it the pilots had to put on their oxygen masks...

And there was a petition on WhiteHouse.gov asking that Obama deport him back to Canada - it got turned down surprisingly enough.

I'm not sure why he has to act like a 10 year old.

Bieber it's ok, we already hated you way before.
