Thread: [Official Group | Infamous Recruitment | Leadership Spot Available | \[1 spot\]](#)

Judge Dredd - June 26, 2014, 7:13 pm

When people cut you down or talk behind your back, remember, they took time out of their pathetic lives to think about you.

My terms below:

A Leader, one that can add and remove members & the ability to create your own Sector*

By making \$1,000.00 USD monthly payments (first of each month) for a Leadership position, you agree that you will discuss the adding of new members with the Owner of Infamous prior.

That you will follow and guide members using the handbook and rules of Infamous & Hackforums.net to the very best of your ability and work as and treat all members within the group as a team member.

At any point the group Owner can remove you, if you break any rules or policies whether it be Infamous's or Hackforums.net & you will not get a refund.

Before you accept these terms make sure you have the FULL amount now and have a STABLE monthly income to pay for the full amount each following months.

You can cancel at the end of the month if you feel you no longer want to be a Leader, but you will not get a "full" refund. ? But let me know 1 week in advance.

Perks of becoming a Leader:Ability to add/remove a limit of 10 members during the duration of your Leadership. (You can only remove members you have added – removing other members added by other Leaders will result in a Warning, second offense will be the removal of your Leadership status and you will not receive a refund.)

*Ability to create a Sector & pick what you want to do with your chosen members, i.e. (create a monetizing group by releasing products or having a small gaming group, etc.)

Ability to use my SMF freely along with the members you've added (Judge Dredd's Personally Approved Products and Services) following my set guidelines from within that section.

Acceptable payments are as follows:

(PP) Must be verified and confirmed.

(BTC) (Legit, not stolen)

Required monthly payment are as follows:

(PP) \$1,000.00 USD (MoneyPak Accepted, must have photo of receipt)

or

(BTC) \$1,000.00 USD (Current market value)

Grand total: \$1,000.00 USD

This is the only type of payment method I will accept, absolutely no negotiations.

If you're interested, send me a PM. ?

Age Requirement: 21+ only.

Thanks God, I thought I was the only one that had that kind of thought.

Good luck to anyone who buys this. JD is a great guy and honestly if I had the funds I'd buy this. ?

Weebex - June 26, 2014, 7:58 pm

Holy crap 1k for leadership! That is overkill :D
Probably worth it.

Best of luck selling this; well worth the investment to someone with a good product range.

Thornzzz - June 26, 2014, 9:48 pm

Good Luck with sales. I recommend this for anyone looking for a fun time on HF. Good members and good leaders.

I like that you've added a requirement of being 21 years old. Great group with a group bunch of leaders, interested to see who will end up purchasing this.

Hexley - June 27, 2014, 11:42 am

I would totally buy this, if it was a one time payment of like \$8,000, but sadly it's not.

Damn. If only you made the leadership role younger for meh ;-;

It's to assure maturity. Someone who is older is more mature than a 13 year old and will have better

incentives for the group. (Not calling you names or anything; speaking in general)

I'm rather interested to see who is going to become a new leader in the group Infamous. I wonder if anyone has PM'd him showing some interest.

You'd probably get more interested buyers if the payment was a one-time payment and they had full control of the group.

Nonetheless, GLWS. ?
