Thread: [Giving Away a 3 month xbox live code!](#)

Vodka. - June 26, 2014, 11:38 pm

Well I know the first thing people are going to say is fuck you and no one likes you. You are a scammer and that will never change but I honestly don't care about other people's opinions. It doesn't affect me in life. I just wanna do this giveaway as I got this for free from a friend. I never did a giveaway before so yeah.

Later on I will do a giveaway for a 6 year tenure as I quit xbox.

I will randomly pick the winner.

Only Ubers can join the giveaway! Sry for the rest. Idc who you are. If we are enemies I will be happy to put you in it.

Post to be in the giveaway. UBERS ONLY!

I hope this thread doesn't get closed down by staff. :/ GI to all anyways!
