Nice story to bad i ain't buying it, like it that makes any difference. "years ago" i like the so-called casing , makes it even more noobish as it already was. Ur trash from the moment i saw this thread.

sofien ouenn - June 27, 2014, 9:15 am

Naaah You dont even Know me to say that really I dont make any things To say that to me and This is The first about asking about a source

and the noobs dont upload a source to people watch her :

<https://hackforums.net/showthread.php?tid=4222295>

i Post this because in that time a saw a one ho poste a program like this without the source so please befour yousay that im a noob or trash know people and if you dont like my ask whay you Reply whaaaaay ?????? im a nice man but look what you say to me :/

What You want me to say oh thank you Because You say to me im a noob and a trash okay first he deletd his Replay when i say to him go to hell he say im a noob whay because im asking for a source ?

so Mr. Trvp & Dialog Thnx for reply But mr TheBarret he deleted his replay before a say go to hell so before i say to him that he speak with me and the replay was deleted now i can only say that go to hell thats what can i say when im angry from his replay if he want i will go to the administration and i will speak with him for the delted reply but his fault

LordCoder - June 28, 2014, 3:21 am

I'm not understanding anything. Can anyone explain me? :P

sofien ouenn - June 28, 2014, 3:32 am

its not inportant things but im new her im asking for a source and a one his name is TheBarret he call me im a noob and you have only 10 post

Realy ? LordCoder ? he say 10 post and he dont say that i joind to this website in may 2014 hahahahaha

i dont like this reply like TheBarret (his reply was deleted when hi say to me im noob) and if he dont like my Problem whay he Reply that is the problem
