The amount of crap in this thread is unbelievable... Another skid found an old darkcomet file.

Edit: The youtube video is one of the most indian things I have ever heard in my life.

nnnnn.exe is orjinal file this is virus

desire7204 - August 5, 2014, 4:42 pm

how can i get it am new here? and can it crypt darcomet and logger?

crazyycast13 - August 5, 2014, 6:12 pm

EDIT: Mediafire probably detected the file and deleted it.
