Thread: [how to upgrade on superpoints](#)

LoweredLifestyle - June 28, 2014, 1:38 pm

so i reached my goal of 100k points on superpoints, but i can't redeem any prizes until i upgrade, i'm trying to upgrade but idk how...anybody know how you do so?

TrekZ - June 28, 2014, 2:01 pm

Another Question, do u know where you get the Gift cards from there, because i redeemed a Amazon Gift card, but do they send it to the mail or by address, any ideas?

Hmm.. They wrote me this

Hi ****

Great job! We received your \$10 Amazon Gift Card redemption request!

If this is the first time you've redeemed Superpoints for a reward it could take a couple of days to verify your mailing address etc. After that, most Rewards are processed within seven business days.

mailing address? sounds alot like no email, but yeah i'll just have to wait and see, thanks anyway

yep, did both, still a basic member...-.- really starting to annoy me.

ligit2402 - June 28, 2014, 2:25 pm

btw if anyone needs an invite, just pm me, i got plenty
