Black Hole - June 28, 2014, 3:27 pm

If you live in FL and would like to join me and my friends for Metrocon, pm me right freaking now!

<http://www.metroconventions.com/>

Also, going to be doing a cosplay trio. If anyone has some good ideas, please let me know. Three males, all Filipino, all black hair. Two of us are average height/weight the other is average height and slightly overweight. Any ideas are welcome.

So Metrocon was awesome! So packed, SO PACKED!

Toonami - June 29, 2014, 12:33 am

That's pretty impressive how it grew from a few meetups to Florida's largest anime convention.

Is there anyone from the guest list that you are excited to see?

Also, you better take at least one picture with a sexy little cosplayer.

9 hours is what I would consider a "long" drive

I know right in Puerto Rico we consider 1 hour a long drive and the longest to reach from point to point is 3 hours max.

I guess for people who don't travel much, I've driven from Cali to NY before, done alot of road trips,
So I guess its just me :P

anyways have fun :(

Black Hole - June 29, 2014, 6:15 pm

So I think we pretty much decided on a trio set. Going as generic japanese high schoolers. White button up shirts, blacks pants, black shoes and red ties with our own custom emblem.

Black Hole - July 8, 2014, 11:48 am

Alright, so no more takers? Going to be going this Saturday. Great times incoming.

nickchan - July 8, 2014, 11:55 am

Damn If only I knew about this like 3 months ago. I would totally take off from work for a week to go.
I live about 16 hours away but it would be totally worth it to go.
Have fun.

Nah, she was freaking out because I was trying to get her number and obviously she was asexual.

And Happeh, that about sums it up.

Damn looks like you had fun. Go to any nice panels?

Did you stay at a hotel or did you live close enough.

Lastly, did anything crazy happen?

iKickCats - July 13, 2014, 6:45 pm

I counted at least 3 girls that took the pic with you but had that "ugh" face or just "hurry up"

They overcharged like crazy, we're talking ridiculous prices for some merch. They had lots of cool stuff though.

Edit: here's the front of the AMV panel and a cosplay I thought was pretty funny
