Narrate - June 30, 2014, 9:44 pm

I voted for that gay boy tom tom.

Plus, what Clark said.

Wirt - June 30, 2014, 9:45 pm

I voted for Roger Waters. He's always on and making HQ posts, so why not? Hehehe.

I would like to wish luck to all who have been nominated though. <3

Justin Timberlake - June 30, 2014, 9:52 pm

Wow, this month has so many deserving members, but there can only be one winner. Voted for who I thought was the best.

ItsATumor - June 30, 2014, 9:54 pm

Voted for Sh1eld, cause he is helpful and nice when I talk to him.

Impervious. - June 30, 2014, 9:57 pm

Voted for Sh1eld, I've seen him around often, mainly in the omnicoïn section.

He well deserves it, as do the other contestants. But Sh1eld has my vote.

Hexicidal - June 30, 2014, 9:57 pm

I voted for myself this month, thanks everybody.

Flummox - June 30, 2014, 10:06 pm

Wow, so many worthy members this month, very very hard to choose.

I voted for Roger Waters, however. I think he's a great guy and contributes to the site in a great way.

Income. - June 30, 2014, 10:11 pm

Voted for Roger Waters because he's very active and helpful with all HF members around.

Don't get me wrong if I could I'd vote on every single person on that list.

Shockley - June 30, 2014, 10:16 pm

Sir already won as Clark said.

I can't decide between Saturday or Roger.

Clique - June 30, 2014, 10:18 pm

Five writers this voting? Dang, dang. Good luck dudes.

Autopost - June 30, 2014, 10:19 pm

Sh1eld got my vote this month, mainly because of his no BS attitude.

tdog0403 - June 30, 2014, 10:20 pm

Despite Sh1eld being HQ and helpful, I feel that I see more from Roger Waters.
Good luck to everyone!

Telstra - June 30, 2014, 10:23 pm

Roger definitely gets my vote on this one.

Best of luck to all nominees.

Kioshi - June 30, 2014, 10:24 pm

I've crossed paths with all of these members in groups and in other parts of the site (except One_Freed0m, sorry bud) and I can't say it well enough, all of my fellow nominees deserve this award. Good luck everyone!

Chrazy - July 1, 2014, 3:15 am

Not surprised; just looked over his recent posts...

Less than 40 posts this month, and two threads (two VPN giveaways).

..Not sure why he's up there (nothing personal One).

There are people who should be in the vote and some who shouldn't, sadly. Not fair in my opinion but there is nothing you can do.

Good luck to the contestants.

Eeluminati - July 1, 2014, 4:23 am

Uh god, one of the worst MOTM's I have wanted to vote in for awhile.

It came across me either voting for one of my friends who hasn't done much or voting for someone I dislike but they actually do a bit. I made the moral decision, it was painful, and I really fucking hate them, but in all honesty they're the most deserving out of all participants.

GL everyone.

Wow I just went on their profile and cringed, can't believe I did that.

That wasn't what I meant by that, I simply meant that I had not seen him in any of the groups that I have been in and that I can't make a valid opinion on him. Not saying that he doesn't deserve to be up there.

FleXiN - July 1, 2014, 10:48 am

This was a very hard decision for me, being that I know none of the user's listed, but I have seen them around and they are pretty useful and HQ members in the community. I was stuck between 3 Users. Saturday, Sir, & Sh1eld.

I ended up voting for Sh1eld because I have seen him more around the forum and he is pretty helpful and polite towards other users on HF.

Because of the new award tax.

What, are you serious? I've never heard of an "award tax"...

Well it's been over 5 days.

Congrats Sir on becoming the first one to earn the award twice!

Sixth day with Sir 48 votes ahead of the person in second. Safe to say congratulations to Sir!

Just a notice of why this thread technically isn't over yet: Since D3xus was away he posted and added the members, but the thread was hidden from everyone's view. When I posted on it and made it available is technically when the competition started. It will be over after today though.

Congratulations Sir on your victory. If anyone deserves another MOTM award it is you. I appreciate all the work you put into the site with Writ3rs, HFNT, and being a quality user overall.
