Thread: [Four 3 letter \(letter number letter\) tags](#)

Roxus™ - June 29, 2014, 7:43 am

They've basically been sitting for 2+ years, 3 of the 4 haven't even been on Xbox live. All are silver.

Looking to get rid of them, as like I said, they are just sitting. I'm not using them, thought someone else might.

Again - These tags are Letter Number Letter format. Example (not mine, just an example..) U6N

First letters of each of the gamertags are:

Yxx
Hxx
Hxx
Uxx

Looking to sell all at once, or one at a time if price is right, either or. Don't matter to me.

How much are you looking to sell them all for?

I've been offered as much as \$60 for ONE (randomly picked) and someone offered \$100 for all 4.

I'm open to offers...

?rooklyn - June 29, 2014, 9:40 am

I will pay you 50\$ for one of these right now please pm me back

I will take that as an offer. I'm currently being bombarded with PM's lmao.

\$hmoney - June 29, 2014, 10:18 am

I sent you a PM regarding these. Hope you get back to me soon, I am very interested in buying.

Well to be honest that's all 3 characters go for is 50\$ and 3 letters go for 70\$

It would also help if you pm me the full gamertags lol

I'd prefer not to disclose the names, but I assure you they have no real meaning. Just random Letter Number Letter combos.

and yeah I know about \$50-\$60 is what they go for (about 4-5 people have PM'd me offering 50 for any lol.) Waiting on responses via PM, and maybe if someone wants to purchase all 4 at once and do like a WU or some shit. Much quicker/safer too.

Also ----- For people wondering if these have been taken or stolen or anything else, they all come with their own email that was made when creating these GT's. So you will get the entire email/pass and you do what you want with it. Swap it, use it, whatever.

Gaystation360 - June 29, 2014, 6:19 pm

How is Western Union quicker and safer :P anyways I would give you 140 WU for all 4

James Cook - June 29, 2014, 6:26 pm

Do not have much PP money on me right now, but if you can sell me one for 40\$ PP I can pay whenever.

Its quicker and safer because if its paid with Cash at WU, no chargebacks can happen. PM me and we can work out a deal.

Gaystation360 - June 30, 2014, 7:20 am

I cannot pm yet FML but does the 140 interest you!

Gaystation360 - June 30, 2014, 6:17 pm

Jim Jones - June 30, 2014, 7:59 pm

It would probably be easier just to say you have 4 three characters, good luck with selling.

?hmurda - June 30, 2014, 11:10 pm

You can now close this thread as you sold all of them.
