Thread: [*FREE* Flat Thread Design.. #1](#)

xrox - June 30, 2014, 4:31 pm

This is my first ever flat thread design.. anyone can use it for what ever.
Any constructive criticism is welcome.

The download link is a .png?

Is there a .psd file for this? I would love to get this.

It's nice.

Posting here so I can come back to download this.

Thanks OP!

Took me about 4 hours. It was my first of this type of design, and I haven't done any GFX in months.

Anyone may use it as they see fit..

Appreciate you fixing the download link.

Downloading it right now :)

Thanks!

I think it looks really good. I'm just really new to GFX, how can i open the file and edit it?

Thanks!
