You can not post this here sorry, read the [Help Docs](#)

Online Expert - July 1, 2014, 7:11 am

This seems like it's in the right section, can you provide proof of payment

Degtyarev - July 1, 2014, 7:17 am

Sorry ihopeshe18..

No 'Online Expert'. This is not a problem, I have not paid his shit script.

I find no section to post it sells public and free scripts.. It's not even her creator.

- Thank you to stop believing he creates his own scripts, is that shit.
