OP with the recent no-ip things taking place I think sales won't do so well :(Either way glws.

Online Expert - July 1, 2014, 3:21 pm

This doesn't have prices for the actual bots

+Haze - July 1, 2014, 3:24 pm

May I ask what you mean by loads? As in load, or loads of bots?

The Fame - July 1, 2014, 3:25 pm

hit me up ill buy right now!

pm me please

Loads are executions directly from an exploit-kit or similar, without any herding-bot that installs your file.

Loads or bots that come directly from an exploit kit. You buy them in bundles of 1k. Loads are commonly accepted as the most hq way to buy bots

Proof of exploit kit? You will get way more sales if you prove that you have one
