[Video: <https://youtu.be/-xffTvTluGY>]

(Nov 30, 2017 01:37 PM)Bombaclut Wrote: [\[CITE\]](#) Cash Stash has been earning a lot for me recently. Within two hours I made money. Proof is in the puddin'

Issues unrelated to methods either :)

(Nov 18, 2017 10:02 AM)Denny Cascade Wrote: [\[CITE\]](#) purchased the updated version of this ebook about 2 weeks ago.

expels made an update that earned me tons in one week.

updated advanced methods really taking flight!!!

will update probly

thanks again!!

(Oct 19, 2017 12:23 PM)ragekillen Wrote: [\[CITE\]](#)

Money on lock! Methods have been owned by me for abt 3 days (i think??)
just flexin on yuh. 3 days of income, literally. 3 days. I'm making money moves. You guys will soon find out. I can only hope.

(Oct 5, 2017 06:19 PM)Skylumz Wrote: [\[CITE\]](#) Day ONE, got the new update a few hours after it came out [v2.7]

I somehow managed to cash out this much out of an ebook. Cash Stash is something interesting. The Advanced pack thing showed me the ways really. The 10 methods is what made me buy it now I'm wondering what would've happened if I didn't.

where would I be?

(Oct 3, 2017 06:32 PM)BTCSin Wrote: [\[CITE\]](#) Well it turns out the method I purchased was the 2.7 and I didn't know. I wondered why it worked so good. In the short time I've owned this ebook I've

made my money + more back. Nothing better to recommend, the best I've seen in the entire game.

(Sep 24, 2017 08:56 PM)Audemar Wrote: [\[CITE\]](#) Can't say I've seen something this valuable priced reasonably like this. Got a copy of v2.7 for a little extra before it comes out. Within that short amount of time, I've made a nice little profit.

(Sep 18, 2017 09:21 PM)reroute Wrote: [\[CITE\]](#) Never doubted this ebook. Knew my trust was in the right place. Always have heard great things, until today. I purchased version 2.6, and 2 days later got an exclusive sneak peek at v2.7 and already got to test a few of the new methods.

They didn't let me down one bit, and it's a definite that I'll be purchasing the full version of v2.7 once it releases. Learn from the best, don't regret.

(Mar 16, 2017 12:16 PM)Chief Bromden Wrote: [\[CITE\]](#) Chief Bromden here. Wanting to talk about my experiences with CS. She has been something else, let me tell you that right now. Worthy of every penny. Talked to Expels since I purchased, no other way I could've gone would've turned out this good.

(Mar 9, 2017 08:38 PM)Dale Carnegie Wrote: [\[CITE\]](#) I've known Expels for a long time now, and I have seen cash stash as a series through time. For that reason I chose to buy this ebook. Cash stash has always looked like ol reliable to me so I decided to do it after seeing it come through and through. delivery was fast but rocketr is a great site bought it not to long ago and this is what happened.

(Feb 22, 2017 01:29 PM)MysticParadox Wrote: [\[CITE\]](#) Copped the update for Cash Stash v2.6! Been investing money from it into my server and making the craziest amounts of money. The Cash Stash line has never let me down. Every update just gets better and better.

my btc earnings just from cash stash

(Feb 20, 2017 01:43 PM)Sickness. Wrote: [\[CITE\]](#) Been working with v2.6 for a little bit of time now. Ended up upgrading from Basic with my earnings (thank u expels!!)

ebook is straightforward and I had 0 troubles figuring this thing out. surprisingly this made me a return extremely fast unlike a few other ebooks I've tested.

gotta give it to ya, this ebook might make you a fortune.

(Feb 16, 2017 06:47 PM)Vyrez. Wrote: [\[CITE\]](#) Well guess it's time for my update for the new update. Bought a little pre-release of v2.6, can't say I'm not impressed. I'm assuming even more will be added to it as well. It's looking extremely HQ right now. The methods are extremely easy. A picture of what i made in the last week with these new methods are below. ?

(Oct 13, 2016 04:06 PM)Vektrax Wrote: [\[CITE\]](#) Thanks Expels.

Purchased this a few days ago and it's safe to say my cash out was a success! This ebook is literally the perfect money making opportunity, I'm extremely happy I took advantage.

Kung Fu Kenny - July 1, 2014, 9:58 pm

Extremely big vouch for Expels. I got a pre-vouch copy of this when it first released. Now that it is in v2 I must say the method is extraordinary. I'm excited to earn even more, and I've been earning \$200 fluently per day. Thanks Expels I love Cash Stash v2.

Duhduhman1 - July 1, 2014, 10:10 pm

I appreciate Expels support. I just purchased the advanced version and its amazing. For \$37.99 I got 5 methods, and im earnin different amounts wit each. ty expels.

Quality: 10/10 its writen with prefect gramer and no errors. it couldnt look better

Methods 10/10 each method is unique and works perfectly

Support 10/10 he is availbe always and always answers the few questions i hav

paypal proof (people say its good with no proof) :

Block Chain - July 1, 2014, 10:32 pm

expels gave me a vouch copy of the v2 version since he trusted me as the only regular user who could write an honest review. this ebook is 24.99 do I think it is worth it? yes it is, thats a steal for the methods in this book.

I got all my earnings exchanged into btc but i'm really happy with what I made.

dingsbums121212 - July 1, 2014, 10:33 pm

Thanks Expels for remaking this! It's better than ever, I purchased the Premium version for \$29.99 and it was right and worth every penny.

Quality 10/10: This is awesome, I really like it well. I didn't find any flaws and got earnings in the first day as promised.

eBook Methods 9/10 This are very original, but take short setup time, but aren't PERFECT that's why 9/10

Flaws: 1/10 (Almost perfect) The eBook doesn't have more methods :3

Support: 10/10 he is always on skype helping me with everything.

Blocker2 - July 1, 2014, 11:10 pm

Does this involve buying something from a website and selling it at a higher price on another?

Does this involve any other forms of marketing?

Can this work worldwide?

Expels - July 1, 2014, 11:12 pm

(Jul 1, 2014 11:10 PM)Blocker2 Wrote: [\[CITE\]](#) Does this involve buying something from a website and selling it at a higher price on another?

1. No, nothing like that
2. Yes, I suppose sort of
3. Yes absolutely

Karkat - July 1, 2014, 11:13 pm

Thanks for making me money, Expels the advanced version of this eBook has got to be the best of all hf. I <3 you so much!

I just got a Xb1, you are awesome! <3

RevengeSucks - July 1, 2014, 11:27 pm

Just purchased and added him on skype, that was a fast response, I've got the eBook password and I'm reading it, these methods look incredible. I would definitely suggest this to anyone looking to make big bucks. Vouch from me.

DEADPOOL - July 2, 2014, 12:45 am

I have never purchased an eBook so simple yet complex. He makes it so easy, and compatible. I was sketched at first I thought Expels was un-legit, but I learned my lesson fast. Because of you Expels, I've got more money than ever.

hav0c - July 2, 2014, 12:47 am

I know expels for a long time
He is really HQ hence his methods
I vouch for this dude!

beRke - July 2, 2014, 3:41 am

He showed extremely incredible performance and he devote more than hour to me. His support are very good and he try to solve your problem internally.

WARNING

well I paid him for a HULU plus account well over a week ago and he has yet to pm me account info.

the deal was done via pm's so there was no thread as such. I sent him money via paypal for huluplus 12 month account. He did not bother replying to me till after 3 days& only to tell me he never had the account available & to give him some time. . well that was six days ago .

I trusted to send him as gift as I had done 1 deal with him before but obviously that is not a guarantee around here anymore.

I tried to PM him but he i snot accepting the Pm 's from me & hims screen name is changed! Weird.

Do not do business with the loser. You never know when you might just lose money.

I ll make a separate thread about him very soon in Marketplace Discussion section & will always post in every thread he opens anytime.

Bottomline: You can lose money with him anytime.

Expels - October 18, 2014, 4:52 pm

Well here I am back from a ban, glad for everyone that is earning and posted vouches of their money. Still selling this, methods are working 100% methods are fresh and v2 is unsaturated as can be! Purchase today and earn BIG!

SurrealMKD - October 18, 2014, 5:11 pm

i want to start this off thanks expels ur awesome

heres why

all in 3 weeks worth of time. i bought this wen expels was banned from account hacked a friend helped me get expels skype and told me how good this was

i didnt belive him but i had some xtra cash and this blew me away

thx expels for the spending moneyy

Colors xD - October 18, 2014, 5:49 pm

Thanks to Expels' I was able to purchase a PS4, and an iPod with money leftover. The method is working long-term for me and it's running almost FULLY autopilot! I check once a week to see how much \$ I've made and that's IT!

Works worldwide? Involves selling? eBay, Fiverr, Craigslist? Need some initial investment?

Expels - October 20, 2014, 7:45 pm

(Oct 20, 2014 07:41 PM)Fernet Wrote: [\[CITE\]](#) Works worldwide? Involves selling? eBay, Fiverr, Craigslist? Need some initial investment?

Works worldwide, 1 method requires eBay, 1 method requires Craigslist. There are 4 methods in the advanced version, next update 1 - 2 methods will be released and current methods will be updated further. No initial investment.

You've never seen any of these methods before, and you will earn a boat load. This eBook will soon be for everyone with ~6 - 7 methods, with all variety and potential ?

Vouch for the skype support, got me setup in ~10 mins for my first payment.

Fernet - October 22, 2014, 9:18 pm

You are showing just one product to sell?

Cause i see lot of people buying this, so if its just 1 or 2 products almost sure will get saturated.

'Cynical - October 22, 2014, 11:45 pm

Wow... Someone told me all ebooks on hf were scams, but i bought it anyways...

Holy shit, best ebook ever.. Already made a large sum of kesh. I rate it 9/10. ???????????

Thanks OP. :D

Expels - October 23, 2014, 10:10 am

This is more than just that. It goes more in-depth. Also next update there will be 2 more methods. Making 6 methods total.

GrayGeorge - October 23, 2014, 10:13 am

Cash stash is great! It gets my vouch, wanna know why? I made \$300 yesterday and got my first iPhone 5.

Fernet - October 23, 2014, 5:28 pm

The book is about Ebay & Amazon or dropshipping or buy and sell any products,digital keys etc?

Expels - October 26, 2014, 9:40 am

(Oct 26, 2014 08:51 AM)restl3ss Wrote: [\[CITE\]](#) The book is about Ebay & Amazon or dropshipping or buy and sell any products,digital keys etc?

Method 1 & 4 require eBay, however the method is unknown. No dropshipping, no amazon, no buying of products, no digital keys.

I'm online taking sales and providing passwords & support. Currently helping a customer make \$750. ?

Also I'll soon be pushing a big update with a bunch of new methods.

EminenceDesigns - October 26, 2014, 9:44 am

I have bought a lot of guides, but no guide has made me 750\$ within 24 hours of buying the guide, great support as well! He helped me through every step, will post a screenshot of the payment after money is cleared!

I don't think there are still vouch copies available since this is v2 already. and it already has a lot of vouches.

guycool - October 27, 2014, 8:47 am

I bought this ebook 2 days ago .. so far no results.

Expels answered my questions on skype.. nothing to complain about that .. good support. but the method itself didn't work out so far.

I don't think the blame is on me since I followed everything the "basic" ebook had to say.

I'm currently trying to get an arrangement with Expels tonight or tomorrow to set the thing up fully , and I'll post my results if I get any this way.

Expels - October 27, 2014, 12:40 pm

comeatmebrah - October 31, 2014, 7:02 am

Hello. I purchased this a few days ago and got the download which contained the password.txt which tells you to post in this thread with your details (which I did), I then PMed you and you asked me to talk on skype so I provided my details. On skype you said "the PW and download should be auto-delivered" which I find hard to believe since everyone else posting here seems to have received the same password.txt file. I explained that I got the text file and posted in this thread and got the reply "All passwords have been delivered."

Places I have checked for said password:

paypal e-mail

HF PM

skype

TL:DR

1)Get excited by "AUTO-BUY"

2)Typical jerking around for days due to timezone

3)?

4)No profit ?

rocky2410 - October 31, 2014, 8:05 am

This method really works, I bought advanced package 1 and a half days ago and in that time I earnt 10 times more than the cost of this ebook. I could not believe my eyes when it actually worked. Here is a proof like I promised.

[http://i57.\[censored\].com/cqhau.jpg](http://i57.[censored].com/cqhau.jpg)

(edit, not sure how to upload pics on here, it's being censored.)

I am still continuing to earn more every day, thanks Expels, I know I have bugged you a lot of time with questions but you happily answered. This is just a bit of my earnings proof.

Everything has been sent out! Feel free to purchase I'll be providing support & answering questions. Almost 19 pages of payment proof! Purchase today for revenue tomorrow!

DFWi Reaper - November 14, 2014, 2:51 pm

Here's my honest review:

This ebook could very easily get your ebay account banned with the Original Method. Least it would seem so with what you're doing.

The next few methods were just a twist of the first.

The last method, which was the Highest package bonus was the best method. So if you do purchase this, best to purchase the highest package.

How many pages does this eBook have?

Expels - November 15, 2014, 8:18 am

(Nov 15, 2014 08:13 AM)PH?x Wrote: [CITE](#) How many pages does this eBook have?
4 methods, the methods are about a page long. They get to the point simple and quick.

Expels - November 16, 2014, 5:22 pm

All sales taken care of, support provided, and passwords and copies sent out! Feel free to PM me with questions. Purchase today!

A n g e l - November 19, 2014, 7:41 am

Earned about \$299 from this method again earlier this week ?

guycool - November 21, 2014, 12:07 pm

Haven't made a single cent using this method, despite trying everything, despite following Teamviewer sessions with Expels etc.

I purchased the advanced version around a month ago and Expels is ignoring my message whenever I mention the word "refund".

EDIT : Notice how Expels gives me -rep and accuses me of sales Trashing when I tell the truth to the world about his product .. haha.

Anyone that has a brain will figure it out on their own ;)

????? ????? - November 21, 2014, 11:19 pm

I would like to buy it if this method still works .

Bet - December 9, 2014, 4:48 pm

Vouch for expelz, legit as it gets!!

Expels - December 10, 2014, 5:15 pm

Thanks for more vouches, I'm online taking sales and providing support. Now taking only BTC!

Hit me up with any questions!

HexB - December 15, 2014, 5:22 pm

Expels.

You have ignored my messages for over 2 weeks.

This method did not work for me, I got my paypal account limited(fixed now) and I actually lost 45+eu just from folowing the ebook.

My review would not have been so negative, but I have bought the Advanced package, I am eligible for a full refund and "In-Depth Skype and TV Support" yet I received none of that and you choose to ignore me no matter how much I ask and even beg you for the money back.

I am really disappointed in Expels and I want my money back. please.

EDIT:

It appears you have quite a few negative responses, people claiming you are denying refunds...

Expels - December 17, 2014, 7:02 pm

Paypal, Bitcoin, and Omnicoin now available. People complaining didn't take advantage of the support offered.

FerdigStudios - January 14, 2015, 1:20 pm

Can someone tell me what a ebook is please ? I really need to know what it is program , tutorial ?

Rizzla - January 17, 2015, 6:11 am

If this involves eBay, they have a limit on max 500\$/month, is it possible to lift it with this method?

The Don - February 8, 2015, 3:02 pm

Vouch for Cash Stash, its a great ebook.

MysticParadox - February 8, 2015, 3:50 pm

I purchased the advanced version of this eBook, and honestly with a few tweaks Expels showed me with his FLAWLESS personal support, I think his eBook is the BEST on the market. Hands down.

Expels - February 10, 2015, 3:07 pm

After 30+ vouches from earning customers, it's safe to say this eBook is worth every single PENNY!

Young Gerald - February 11, 2015, 5:26 pm

Angel - February 12, 2015, 10:39 am

(Feb 11, 2015 06:26 PM)Young Gerald Wrote: [\[CITE\]](#) People who bought this, do you really recommend it?

Yea, I really do recommend this ?

Lacrosse - February 12, 2015, 5:45 pm

I purchased this eBook a little over a week ago and I'm glad I purchased the Advanced version. With the full teamviewer support and the bonus methods I got it makes the method so much easier and I'm making a lot more than my current minimum wage job, even though I purchased only a week ago. I only set it up last night and I'm making bank. I'll update later with future earnings :D

*Keep in mind not ALL of that is from the method, but most of it is! :D

SoftAsSilk - February 12, 2015, 6:01 pm

bought premium. used method #1 and made \$400, made the rest with method #2. the Skype support with premium was better than average for 2 other ebooks ive purchased. this method is dope as fuck. thanks for the help expels!

Kung Fu Kenny - February 12, 2015, 6:13 pm

Made this in one night using op's method. Wold recommend this to anyone who ants to start earning!

kakapataka - February 16, 2015, 2:08 pm

(Jul 6, 2014 12:55 AM)kakapataka Wrote: [\[CITE\]](#) WARNING

well I paid him for a HULU plus account well over a week ago and he has yet to pm me account info.

the deal was done via pm's so there was no thread as such. I sent him money via paypal for huluplus 12 month account. He did not bother replying to me till after 3 days& only to tell me he never had the account available & to give him some time. . well that was six days ago .

I trusted to send him as gift as I had done 1 deal with him before but obviously that is not a guarantee around here anymore.

I tried to PM him but he i snot accepting the Pm 's from me & hims screen name is changed! Weird.

Do not do business with the loser. You never know when you might just lose money.

I ll make a separate thread about him very soon in Marketplace Discussion section & will always post in every thread he opens anytime.

Bottomline: You can lose money with him anytime.

I tried to edit this post but It wont let me. Maybe a mod can delete this one?

For the record, I was refunded and taken care of by the this seller.

Expels - February 16, 2015, 9:15 pm

Expels has been great. Just about everything is this ebook is a solid 9/10

-Skype support - 9/10

He answers all my question but sometimes takes time but 9/10 times he answers them right away!

-The Method - 8/10

Takes a bit to get started if newb, but I got it down pact and I have made fucking 353 dollars in 2 days!

The method is pretty solid. This method does involve selling stuff and the other people who bought this method kinda slow down your own process and how much profit you can make, but however you can make 200-350 a day!

8/10 overall ebook and I purchased the advanced version. All 4 methods are amazing with the advanced and methods 1, 3 and 4 are amazing. I kinda don't like method 2 but it works well.

(Feb 25, 2015 04:01 AM)xodi Wrote: [\[CITE\]](#) Why doe it take so long before getting a password?
As far as I know, It's a automatic generated password. The system is probably processing the purchase.

Saul - February 25, 2015, 4:42 am

Is it related to eBay?

How much pages does the Ebook include?

How long does it take to set it up?

gyrojosh - February 25, 2015, 7:41 am

(Feb 25, 2015 04:03 AM)tehbunta Wrote: [\[CITE\]](#) As far as I know, It's a automatic generated password. The system is probably processing the purchase.

Still waiting for mine. Really want to read this!!

How much pages does the Ebook include?

How long does it take to set it up?Method #1 & #4 are related to eBay, but unknown. Read the thread please! (no disrespect)

I've answered that question about 20 times :/

there's about 7 pages the method is expansive but gets straight to the point.

And it takes about 10 - 20 minutes to setup :)

(Feb 25, 2015 10:45 AM)xodi Wrote: [\[CITE\]](#) 24 hours and still nothing send to me

Angel - February 25, 2015, 2:11 pm

Amazing new thread design Expels!

Still vouching for this sick ebook!

Nobility - February 25, 2015, 2:27 pm

Does this method require having a paypal? Don't got one that's why...

Someone reliable in my opinion refereed me to this thread, normally don't go looking for ebooks.

Doodlebob™ - February 25, 2015, 2:27 pm

Wow! What else can I say. I saw tons of members here at Hack Forums always saying that E-Books were bullshit. Well, that is NOT the case here! This is crazy.

Got the \$500+ payment today, the rest was from a few days ago all using this E-Book!

Speaking of gains, spent some of the money I made and still have this! ?

Expels - February 27, 2015, 4:01 am

Passwords have been delivered. Awesome earnings DaPiranha!

If anyone has questions feel free to contact me with them, don't hesitate!

AstroJack - February 27, 2015, 2:04 pm

Just made my first \$150 with this, within one day of doing nothing but waiting.

That's right, setted the method up in like 10-20 minutes, and from this point, it's all about waiting and earning money.

I'm truly satisfied, first eBook that really worked for me.

The service was superb, and so were the methods included.

Will certainly use it for awhile, and I recommend it to everyone!

ASMR - February 27, 2015, 4:57 pm

does this include any PPI or other advertising? is this method how evil and immoral?

miketh2005 - February 27, 2015, 5:51 pm

(Feb 27, 2015 03:04 PM)AstroJack Wrote: [\[CITE\]](#) Just made my first \$150 with this, within one day of doing nothing but waiting.

Is there any way to make more money with this method the more time / cash you put into it or is it just a straight autopilot method?

(Feb 23, 2015 03:29 PM)HunterHellquist Wrote: [\[CITE\]](#) Expels has been great. Just about everything is this ebook is a solid 9/10

-Skype support - 9/10

He answers all my question but sometimes takes time but 9/10 times he answers them right away!

-The Method - 8/10

Takes a bit to get started if newb, but I got it down pact and I have made fucking 353 dollars in 2 days!

The method is pretty solid. This method does involve selling stuff and the other people who bought this method kinda slow down your own process and how much profit you can make, but however you can make 200-350 a day!

8/10 overall ebook and I purchased the advanced version. All 4 methods are amazing with the advanced and methods 1, 3 and 4 are amazing. I kinda don't like method 2 but it works well.

So what OP said is not true about it being unsaturable?

Expels - February 27, 2015, 7:25 pm

Why did HunterHellquist say otherwise then? He said other people affect how much money you make.

Expels - February 27, 2015, 9:10 pm

(Feb 27, 2015 10:05 PM)miketh2005 Wrote: [\[CITE\]](#) Why did HunterHellquist say otherwise then? He said other people affect how much money you make.

Because that's what he said. That doesn't mean it's true. Like seriously? Nobody effects how much money you make, only you effect how much money you make. He said other people CAN effect you, in some cases they can, such as getting you more money but the base amount of money stays the same, you can't make LESS money because of other people.

Doodlebob™ - February 28, 2015, 8:46 am

I just keep on making money with this method. Didn't start long ago what so ever, started off making \$200 easily, got it up to \$500, now look what I just made!

xodi - February 28, 2015, 11:00 am

This time a negative thing. No normal support at all, just short answers like nevermind, it is, there is, but not comming to the point. It's a miracle that you even are getting reaction after 24 hours.

Send screenshots, where to put html (without a html button) and the last answer is > You can't use it money gone and that's it

Expels - February 28, 2015, 11:06 am

(Feb 28, 2015 12:00 PM)xodi Wrote: [\[CITE\]](#) This time a negative thing. No normal support at all, just short answers like nevermind, it is, there is, but not comming to the point. It's a miracle that you even are getting reaction after 24 hours.

Just because you can't word your questions right, doesn't mean support is bad. He asked me for a bit of assistance, and I gave him a file to boost the method in his favor, you can ask any of my other customers, and I can't even understand the last bit of this post.

Other than that I'm accepting sales and providing LOTS of support, feel free to PM me with questions.

Also if you're asking for support, removing me on Skype isn't a good way to start.

xodi - February 28, 2015, 11:09 am

(Feb 28, 2015 12:06 PM)Expels Wrote: [\[CITE\]](#) Just because you can't word your questions right, doesn't mean support is bad. LOTS, but not to me then. Can't word or don't understand? A file to boost, but where to boost?....no answer at all, only the words nevermind and you can't use it. Maybe I am a noob but the support I

got in my case is like zero and stopping on Skype yes, after 48 hours very short answers that didn't bring anything concrete, why should I keep it up then. Waste of energy and time

Expels - February 28, 2015, 11:10 am

(Feb 28, 2015 12:09 PM)xodi Wrote: [\[CITE\]](#) LOTS, but not to me then. Can't word or don't understand? A file to boost, but where to boost?...no answer at all, only the words nevermind and you can't use it. Maybe I am a noob but the support I got in my case is like zero

It's a misunderstanding, not a lack of support. Blocking me on Skype isn't going to make support any better, that just disables instant communication.

Angel - February 28, 2015, 11:13 am

(Feb 28, 2015 12:00 PM)xodi Wrote: [\[CITE\]](#) This time a negative thing. No normal support at all, just short answers like nevermind, it is, there is, but not coming to the point. It's a miracle that you even are getting reaction after 24 hours.

If you remove Expels on Skype, you can't expect him to help you. Also he has a good point, it's your fault.

An example of a payment I got last week:

So it's working fine for me, and it's working for everyone else too...

xodi - February 28, 2015, 11:17 am

It's good to hear for anyone else that it's working. But removing from Skype? Yes, he was ready and there were no answers coming again, the last thing said was, You can't use it. Then I am ready and move on, so don't come up with things like he removed me from Skype so now I can't help anymore, because the conversation was already finished with the last words I already mentioned 3 times now.

Expels - February 28, 2015, 11:21 am

I said you can't use the file I sent you, I didn't say you couldn't use the method, my support or anything else. The next thing I was GOING to ask was for your teamviewer in which I would enable the file for you manually, and then you blocked me. Like I said misinterpretation.

Shadow Beatz - February 28, 2015, 11:37 am

My personal vouch for these methods, 10/10. Whatever conflict is going on above is not expels fault, trust me, his support is fucking awesome!

Super pleased with my earnings!!!

These methods should work for you no problem, just be aware, everything in the methods are completely legal, but i would consider it Grey Hat. Expel is truly inventive to think this up.

Chiefkitty - March 12, 2015, 3:19 pm

I vouch for this didnt think it was legit because my password wasn't coming in for a few hours but i made 490.29 Euro/350 Pound in about 30 mins with the first method. thanks a lot one of the best ebooks on the market place.

juanpirata - March 12, 2015, 3:29 pm

You're not "scammed" because your password hasn't been delivered. 3 days is enough time to make sure you didn't pay with a hacked paypal, and the money won't be reversed. All PW's are being delivered momentarily.

(Mar 27, 2015 10:52 AM)calamaris Wrote: [\[CITE\]](#) Still No password, i gave him 12 hours After it i will complain this To paypal.

Why admins dont Close Selling When so many complaints?

If you would quit complaining you would have more luck. The delivery system is having problem for me.

(Mar 27, 2015 03:01 PM)Jeroen1908 Wrote: [\[CITE\]](#) Calamaris he did not respond on Skype calls and also not on Skype chat. I think we are scammed. How long till the new version comes out?

Expels - April 10, 2015, 3:57 pm

(Apr 9, 2015 01:01 PM)HashProducts Wrote: [\[CITE\]](#) How long till the new version comes out?

It will be awhile, considering the methods are working perfectly, it's pointless to add more methods at this point, and considering the methods can't get saturated it doesn't really make sense to throw in extra methods at this point in time. However I think Cash Stash might get updated to 2.3 before Summer just to please some customers with some INCREDIBLE new methods to send earnings through the roof (as if they weren't already)

I'll be online all day to send out passwords, feel free to PM me with any questions!

Still haven't recieved password :(

Expels - April 14, 2015, 12:33 pm

Thanks everyone for the kind words. All password will be delivered ~5:00 EST today that aren't delivered prior to now.

Like I said previously, and throughout the future this method is working PERFECTLY! Lots of money to be made with an unsaturatable method.

PM me with any questions or post here, I'll be happy to answer ? !

bfcant - April 15, 2015, 12:20 am

This looks extremely interesting and I see some great vouches. May take the plunge here.

The method can be done on an android smartphone, the method is not difficult at all (it even states so in the thread) it has nothing to do with reselling or affiliating.
Let me know if you're interested :)

Will be online for support today if any questions arise. ?

focusediz - April 21, 2015, 4:34 pm

Honeybun - May 15, 2015, 5:55 pm

Let me start off by saying this eBook is by far one of the best investments I've ever made, it is worth every penny and I'd buy it again. You can set this up multiple times to double your profit.

This ebook was incredibly easy to read, the grammar was near perfect and was very easy to follow. 9/10 In GRAMMAR.

This ebook is incredibly easy to use. The setup took no more than 15 minutes to complete. 10/10 in SETUP.

The layout of this ebook was done very well. As said above, this ebook was easy to follow which aided in the setup of the ebook. 10/10 in EASE.

This ebook follows a very original method that is unsaturated. This makes sales and profit incredibly easy. 9/10 in ORIGINALITY.

Expels - July 15, 2015, 11:36 am

All PW's will be delivered tonight, if you have any questions, do not hesitate to contact me! Sticky on the way!

Thanks for all kind words as well!

N3CRO - July 16, 2015, 9:26 am

At first I did not believe this, but still decided to purchase this. It was a truly great decision.

It was actually quite easy to setup with a little bit of help over skype and the skype support was quick and amazing.

It truly is autopilot, I recommend for anyone who wants to make cash to purchase this, you get your money back very quickly.

The Don - July 18, 2015, 1:08 pm

Vouch for CashStash, this eBook still works great.

SoCloseToToast - July 18, 2015, 3:02 pm

Any selling required for this method?

Expels - July 20, 2015, 8:29 am

(Jul 18, 2015 03:02 PM) SoCloseToToast Wrote: [\[CITE\]](#) Any selling required for this method?

I suppose, I've answered this question previously in the thread.

Answering PM's / Questions, feel free to PM me. Methods are still working FLAWLESSLY.

dogsmix - July 20, 2015, 12:05 pm

Wow, This is probably the best \$50 bucks I have ever spent. Expels was quick and efficient with

answering my questions and this ebook works very well! Thanks man!

boredermkill - July 22, 2015, 9:17 pm

Thought about buying this, decided not too, lost about a hundred bucks, so went fuck it, I'll buy it. I got the premium package, so total I'm down around 140 bucks. Took me about 6-7 hours, and made all my money back, with a bit of profit as well. Even with only "basic" skype support, Expels was able to answer every and all noobish questions I had. Well worth the money. Now I just wish I didn't lose the hundred bucks..

trojansc - July 26, 2015, 7:05 pm

Hi,

i buy your ebook

zzyzzbrah - November 19, 2015, 3:30 pm

68 pages of comments, Yikes. I bought V2 a long time ago and as i recall it had 4 methods. I never tried them unfortunately due to the fact that i figured there would be a lot of competition via method one. I could have done the other methods but didn't bother for reasons i wont say here (dont want to give anything away). Not sure how long its been since V2 now but i assume its still the same case. Saturation is a scary thing. I find you get in early and profit, Or get in late and lose out on some cash. I wan't to buy this, But i don't want to waste my time or money. I saw the potential in your last ebook, I just felt late to the party.

Thanks brother!

VOUCH VOUCH VOUCH this shit is legit asf I doubt ebooks so much but since I know Expels personally this method is making me bank so far after 15 minutes of setting it up I am at \$250 lol never knew this shit would work and the funny thing is it will never saturated, I would definitely stop spending money on other shitty products on this forum and get this if you think this is some bull shit

im writing pm me with your skype and I will share screens.

Proof of earnings (So far) :

Ifinger - April 12, 2016, 10:42 pm

Big vouch for Cash Stash. My earnings have been steady, here are a few recent payments. My balance is all composed of earnings from the advanced package. Skype support is on-point, couldn't ask for faster responses. Thank you Expels!

Expels - April 13, 2016, 12:22 pm

Only 24 hours left on the flash sale! Enter the coupon code flash10 at the checkout for 10% off, this sale will be over soon and an update will be coming after. The methods are working flawlessly, if you have any questions don't hesitate to ask ?

RootBite - May 2, 2016, 7:14 pm

Whats bobby's uid? Interested in contacting him

Expels - May 31, 2016, 1:51 pm

(May 2, 2016 07:14 PM)RootBite Wrote: [\[CITE\]](#) Whats bobby's uid? Interested in contacting him
Did you ever read the PM with his UID?

This eBook is working flawlessly, if you have any questions don't hesitate to contact me. Within the next few weeks a new update will be pushed, and a sticky will be purchased.

The Coder - June 11, 2016, 3:53 pm

Payivy seems to be down for me :(any other ways of buying this?

Cokeboy - June 16, 2016, 9:45 pm

Vouch for this user, did a smooth deal.

Mi2414 - July 16, 2016, 9:55 pm

Big vouch for Expels and the v2.5 update! Just a quick update after about 4 days of usage. Support couldn't be quicker. 10/10 Thanks man!

Expels - July 18, 2016, 12:26 pm

The version 2.5 update is now LIVE. The update has been pushed, there is a new method in the Advanced package. If you have any questions don't hesitate to contact me. ?

Vertex5443 - July 20, 2016, 12:16 pm

the update released! I almost forgot it was coming out. Im gonna purchase the advanced now, cant wait to see the new methods.

I'll update this post with my thoughts in a bit.

Expels - July 27, 2016, 1:12 pm

Switched payment processors, should make for a more convenient, easier payment. If you're interested in purchasing and have questions, don't hesitate to shoot me a PM. If you can't tell, the brand new update released. A new method has been added to the Advanced package.

-Expels ?

Wyatt Garcia - July 28, 2016, 2:16 pm

After purchasing the Advanced package of this eBook, Expels was very fast to reply to me for support, honestly surprising to me.

In about 48 HOURS after purchasing, I had earned back the \$ I spent on the ebook AND MORE. Huge vouch from me, these methods have serious payout. ?

Squealed - July 28, 2016, 6:20 pm

Big profits from me! I decided to purchase this ebook, and it was a great decision on my end. Not only have I made a good amount of money, I've also been able to purchase a lot of shit for myself.

The Advanced package had 6 different methods, each one entirely unique, and never seen before by myself.

The amount of effort required was minimal, and I'm extremely happy.

Strictly - July 29, 2016, 1:27 am

Can't believe the methods inside this eBook! Just hours after my purchase I am making money. Simplicity is on point. Not too much, not too little. Perfect methods.

George Jetson - July 30, 2016, 6:51 am

(Jul 16, 2016 01:04 PM)Vyr?z Wrote: [\[CITE\]](#) Expels let me get a copy of v2.5 just 3 days ago, he said it was the pre-launch version, and he was adding on the finishing touches. Here are my earnings since then (my family, friends, and I enjoy pizza)

What the..

Pizza? ?

Package Bought:

Cash Stash v2.5 - Advanced

Please send me password !

thank you very much !

Electrum - August 1, 2016, 6:33 pm

Ease Of Use (5/5) : Took me about 15 minutes to set up, and I earned my first payment in the first day.

Methods (5/5) : For methods I've never seen before, they actually turned out to be pretty easy to setup. They were extremely quality and the return was great.

Grammar (4.5/5) : I didn't notice any errors, although I wouldn't say it's 100% quality, it's nearly perfect just could be a BIT easier on the eyes. No complaints however.

Overall (5/5) : Hands down the easiest methods I've ever used, providing me with the profits I

deserve. Perfect.

Vamp0000 - August 1, 2016, 11:03 pm

So does 2.5 new method work worldwide?

Expels - August 2, 2016, 1:58 am

(Aug 1, 2016 11:03 PM)Vamp0000 Wrote: [\[CITE\]](#) So does 2.5 new method work worldwide?

Correct, as stated in the thread design methods do work Worldwide.

JizzleWizard - December 15, 2016, 5:38 pm

Really looking legit I am going to buy this!

Expels - January 16, 2017, 8:37 am

Version 2.6 is going to be release within the next week or two. Excited to be able to share these new methods with the public! Keep your eyes peeled.

If anyone has any questions regarding v2.5 or has any prepurchase questions don't hesitate to contact me. ?

Expels - February 12, 2017, 9:52 am

Payments are now back online.

If you have any pre-purchase questions you can shoot me a pm. Updates will be released soon with a sticky. cheers.

Mad76e - February 12, 2017, 10:28 am

I got some problems to view the last picture in the OP thread (that one with a link that goes to rocketr in the botton)

Bet - February 12, 2017, 10:10 pm

Going to PM you with a question now.

God - February 13, 2017, 6:06 am

got a question, respond to discord / skype please

Dady - February 13, 2017, 2:39 pm

I have a couple of questions about version 2.6, If you'd reply to my PM on skype i'd greatly appreciate it!

Sickness - February 14, 2017, 12:39 pm

2 years and still working? This is a great product.

Strictly - February 14, 2017, 3:50 pm

I was wondering if this works worldwide and can I setup auto-pilot?

Expels - February 15, 2017, 3:34 am

(Feb 14, 2017 04:50 PM)MattGates Wrote: [\[CITE\]](#) I was wondering if this works worldwide and can I setup auto-pilot?

Both of these are answered in the thread, literally in the title of the thread. The answer to both is yes.

(Feb 14, 2017 01:39 PM)Sickness. Wrote: [\[CITE\]](#) 2 years and still working? This is a great product. It's been updated many times within this timeframe, that's just when the original thread was posted. Cash Stash is still working and unsaturated though yes.

(Feb 12, 2017 11:28 AM)Smnfz Wrote: [\[CITE\]](#) I got some problems to view the last picture in the OP thread (that one with a link that goes to rocketr in the botton)

The thread has been fixed ?

If anyone is interested in purchasing, the thread is up and you can click anywhere to be taken to an autobuy page

Dady - February 18, 2017, 3:14 pm

ended up purchasing the update (2.6) for this. Thought it looked like a good deal, and I got 8 methods in the Advanced package..

skype comms were hq and quick
methods take no work really and offer quick profits with no investment funds.
plus expels was super friendly which was helpful
these are my first earnings for the last 48 hours or so

grateful for this ebook

Birdperson - February 19, 2017, 10:43 am

Really been looking for a good ebook these days... the market is pretty trash. Knowing cash stash as a reliable line, I decided to pickup the new Advanced package because of what I heard about it. Man was I right in my thinking.

I was easily able to earn the initial cost of the ebook + profit my first night.
really appealing to appealing to the eyes for reading and setup. so ez

peep

Hydraxus - February 19, 2017, 3:14 pm

Vouch for Expels, I really don't trust eBooks, but I got a copy of this and it's great.

Sickness - February 20, 2017, 12:43 pm

Been working with v2.6 for a little bit of time now. Ended up upgrading from Basic with my earnings (thank u expels!!)

ebook is straightforward and I had 0 troubles figuring this thing out. surprisingly this made me a return extremely fast unlike a few other ebooks I've tested.

gotta give it to ya, this ebook might make you a fortune.

Otis???????????????? - February 21, 2017, 11:46 am

Vouch for Expels, don't hesitate to deal with this user.

Dale Carnegie - February 21, 2017, 7:41 pm

Expels - March 1, 2017, 7:16 pm

(Mar 1, 2017 06:35 AM)Dreadnote Wrote: [\[CITE\]](#) Does this include investments? like \$5-10?

You do not need an investment to earn with Cash Stash.

Pre-purchase questions can be sent via PM, Email, or through the live chat provided on the autobuy page. ?

Xing - March 2, 2017, 3:02 pm

Expels is something else! Massive earnings with this one. I've used these methods since they released as 2.6.

thought the package was expensive at first... the quality came in like a hammer.

I don't think anything else will make you earn like this.

it's extremely quick for one and for two it's super easy and three you really don't have to do that much work, if you are looking to make money look no further!

androidprime - March 3, 2017, 7:54 am

I can't tell if it's a typo or what but is it supposed to be that the last option only gets you the 2.5 and not 2.6

Expels - March 3, 2017, 11:34 am

(Mar 3, 2017 08:54 AM)androidprime Wrote: [\[CITE\]](#) I can't tell if it's a typo or what but is it supposed to be that the last option only gets you the 2.5 and not 2.6

You will get v2.6, it appears to be a typo. I've contacted the designer for a fix.

—

If anyone has any pre-purchase questions don't hesitate to contact me. Glad to see customers earning. All payments are online, click anywhere on the thread to purchase. ?

Thanks!

providermor - March 29, 2017, 9:36 am

I won't offend the seller but to anyone who is thinking about to buy this I would not recommend it. This isn't meant mean or so but I have to be honest. He does say that you are able to do this from everywhere in the world. In my country it is not supported. Also, the eBook looks like it's been written in 15minutes.

So again, I do not want to offend the seller. It is only my opinion I want to share.

And if I am not allowed to share my opinion here a moderator should contact me please.

Writing on this... Excited but nervous

How long does password delivery take?

So I purchased the basic copy and here is my review so far..29.99 for 1 page of instructions and 3 pages of why we should upgrade is not an e book...45 dollars Canadian is a lot of money to spend on a one page e book....I'm not going to charge back because I like the idea...but honestly it's extremely over priced ...it needs to be edited to cater to those spending this kind of money.

Also, it seems that the basic method is obsolete due to over saturation at this point.

I dunno....if anyone agrees with me by all means comment.

Good luck to the rest.

DoYouHackBro - September 27, 2017, 12:36 pm

I have bought with BTC

But, there is 1 thing. I bought the BTC with bank with bitonic dot nl

Here is the transaction with blockchain:

blockchain dot

[info/tx/28bbc4ec16d8ac043dac54d57664336657593ea6b1c2104ad93c46c45d01af94](https://blockchain.info/tx/28bbc4ec16d8ac043dac54d57664336657593ea6b1c2104ad93c46c45d01af94)

I bought premium

Some more proof:
prntscr dot com/gqgugl

Please send me the password, I cant PM u yet.

psnsaver - September 28, 2017, 1:19 am

i just bought and it told me to post her to get password

also will post again when I receive my copy and vouch if it works

BTCSin - October 5, 2017, 4:12 am

Well it turns out the method I purchased was the 2.7 and I didn't know. I wondered why it worked so good. In the short time I've owned this ebook I've made my money + more back. Nothing better to recommend, the best I've seen in the entire game.

Skylumz - October 5, 2017, 6:19 pm

Day ONE, got the new update a few hours after it came out [v2.7]

I somehow managed to cash out this much out of an ebook. Cash Stash is something interesting. The Advanced pack thing showed me the ways really. The 10 methods is what made me buy it now I'm wondering what would've happened if I didn't.

where would I be?

How do you say posted

This is a big problem

littlemay - November 10, 2017, 4:31 am

i am interested in your method.

does this method include affiliate program, selling on ebay or shopify, ewhoring?

Expels - November 10, 2017, 10:37 am

(Nov 9, 2017 05:58 PM)air.san Wrote: [\[CITE\]](#) I do not want a bad comment

But I have not received any tokens yet ?

I send 3 emails to you. But nothing has been sent to me

It's been weeks now

How do you say posted

This is a big problem

I have received absolutely nothing from you. I have reached out to you multiple times on many different platforms and received nothing. I contacted your paypal email, your contact email, I've PM'd you countless times.

If you could simply check your email, I delivered the password weeks ago when you purchased there...

(Nov 10, 2017 05:31 AM)littlemay Wrote: [\[CITE\]](#) i am interested in your method.

does this method include affiliate program, selling on ebay or shopify, ewhoring?

These methods have nothing to do with affiliate programs, shopify, or eWhoring.

You can find answers like these in the thread, however I have sent you a PM regarding this.

If anyone else has any questions / pre-purchase questions you can find all of my contact information on the thread or send me a PM.

Nothing in my inbox

Thanks

urns - November 12, 2017, 5:14 pm

This is worldwide method or only for US?

Velozer - November 13, 2017, 2:50 am

if i buy this from you will you help me to setup things and is it like really all auto pilot and you don't have to do anything to earn \$500 a week ? Will it work for hong kong too ? and does it include buy stuffs and selling it cuz i think i will have money for buying and selling it again

doi have to buy and sell? cuz I am looking to buy advanced and I can't afford to buy kinds of stuff and sell it again.

Expels - November 13, 2017, 3:40 am

Methods themselves are great, and have lots of potential.
However, there is technically only one method and 7 bonus methods (not 10 like the thread design says).

Refund policy is explained in ToS. Refunds are available assuming you have proof you have tested and executed methods with no success.

If anyone has any pre-purchase questions don't hesitate to contact me.
You can find my contact information located in the thread, I'm available through PM and email.

Not scamming, all PW's have been delivered. Was inactive for a bit as LE took my PC.

If anyone has any questions, or is yet to receive their package, please PM me.

Still selling copies, BTC only at the moment. Will restore Paypal as a payment method within the next few weeks hopefully.

(Dec 6, 2018 09:23 PM)canbojafer Wrote: [\[CITE\]](#) Still working? Want to buy

Yes it is, please refer to my above message.

Satania - February 3, 2019, 3:11 pm

(Jan 23, 2019 01:59 PM)Expels Wrote: [\[CITE\]](#) Not scamming, all PW's have been delivered.

I've been waiting since Christmas and you still haven't given me the password or the correct version that I paid for.

EDIT (February 25th, 2019): He was online 5 days ago and still nothing. Seller has made absolutely

no attempt to deliver my order.

I contacted via PM and email and have been completely ignored. At this point, I think it's safe to assume that the guide doesn't exist.

This is not slander/defamation or sales-trashing. If/when I receive my order, I will update my post to say so.

Either way, this delay is absolutely unacceptable.

jinyufalang - *October 24, 2019, 7:15 pm*

Hello. Can I take a vouch copy? I am really interested in post a nice review!

SyrupSplashin - *December 30, 2019, 9:52 pm*

May thy forever rest in peace, expels the incarcerated for 8 months and counting
