Thread: [Turn an Internal Hard Drive into an External Drive](#)

Hopsin - July 2, 2014, 1:27 pm

This is an very interesting tutorial which you might want to take a look.

Tutorial is below the video;

<http://www.ebuyer.com/blog/2013/11/how-do-you-turn-an-internal-hard-drive-into-an-external-drive/>

YT Video; <https://www.youtube.com/watch?v=ml3qagT0YLE&list=UUJQWYhmYguZ6m2Bzlj2vRHw>

I knew about this a long time ago ?

If you want to transform an external HDD into an internal HDD, you just reverse the process. Nice share too ?
