Thread: [Need marketers/brokers for the product DroidJack - Android Remote Administration Tool](#)

!!!! - July 5, 2014, 7:18 am

Hello HF!

As I can't be online all the time. I currently am not able to support selling at different Time Zones.

So I need brokers who can help me sell the product DroidJack!

I will give a percentage of the sales to you! All you have to do is use your amazing marketing skills and politeness and make sales and earn your profit! :)

Interested members please post here how good you can do this.

Thank you

Regards,

Sanju

I can do this for you, sending you a PM now.

Talked to the user and the deal is a bit sketchy.
Good luck and be careful when you deal with him.

are you sure ! its more than 1 month he didn't opened Skype also long time he didn't logged into HF
. i don't know what is happened to him.

i'm his nearest dealer / supporter / partner.

i still don't know if he is fine or he is in troubles. ?
