Thread: [Can a non-upgraded member make a contest?](#)

Can a non-upgraded member make a contest with an ub3r?

Earlier, I had my friend contact a staff member if it was alright, and he said yes. But I want to make sure.

I'm going to make a 3p1c contest in a week or two weeks probably.
Give me an answer ASAP. Thanks.

I guess yeah. But you have to give out the reward though, else you get banned for it. Also I don't think giving out 3P1C upgrades is a good idea because Omni was against the sales for it and I'm pretty sure a contest falls under that too. Omni wants people to use the OMC infrastructure and to make sure that as many people have a wallet as possible.

I heard that both of our accs are on the line if I fail to make the 3p1c upgrade.

No, only yours is for failing to fulfill the contest. Generally, you'll get a repfuck.

Yeah, everyone can make contest, But don't make fake contests, or else it the ban hammer.

R?DSPY - July 5, 2014, 2:48 pm

That sounds great. I won't fail to make the upgrade.

Good luck to everyone when it comes up.

- "1. You are required to have an upgraded account to create a thread.
2. Any fake contests will result in a closed account."

It's the person that posted the thread. You'd have to send the OMC to the person though, I don't think you can gift 3p1c right now.
