Thread: [Free RAT Setup and Mentoring service](#)

spoof - July 5, 2014, 5:22 pm

Hey guys, do you have any problems with setting up your rat? I'm offering free RAT setup (FOR ALL USERS.)

This includes the following services:

1. Portforwarding (hopefully you have done this to make it easier)
2. Tips and tricks on spreading your server
3. Tips on how to use the rat itself
4. Free support mentoring

Want this help? Contact me on skype.

Skype: linux.gov ?

Reset Glitch Hack - July 5, 2014, 5:33 pm

I need tips on spreading dark comet and im wondering why sometimes my bots double up and how sometimes it deletes my server. Does Dark Comet Remover work when its crypted?

Thank you, it's actually going quite well right now!

roben81 - July 7, 2014, 11:19 am

Very generous service helped me with Portforwarding.

Fast and legit service.

Vouch for him!
