Looks like a European giveaway? Never heard of these stores.

Umbra - July 8, 2014, 10:01 am

Has anyone tried this yet? looking at the ToS for the offer it says that the store can refuse the voucher if it has been printed out so it might not work :/

Does this work in the United States?

Echoz - July 8, 2014, 11:24 am

Dang it, I was happy to get this til I saw Tesco :(Only in UK I'd guess. Thanks for the share OP!
