3xp1r3 - *July 7, 2014, 7:41 pm*

Hello Sir's As I'am Opening A Thread For Proxies
And All Of You Can Use Them For Free I Will Update With New Proxy List Daily
Since They Will Be Public Proxies Some Of Them Might Not Work If you Late To Catch - Thanks

staff, admins, or mentors
Please Read

Spoiler (Click to View)I've Read The [Rules and Etiquette] But There Is Not Mentioned If Sharing Proxies Allowed Or Not - If It's Not Allowed Or HF Made Any New Rules That Sharing Proxies Are Not Allowed Please Close The Thread Or Inform Me I Will Close As Soon As I Get The Notification - I Do Not Want To Break Hackforums Rules - Thanks

hi bro , your welcome . and most of those proxy are from asia ,
if you want private proxies country based it will cost you some $$
because there is no privet proxies country based , but i am posting here most of them are asian proxies :)

Still using this. ^_^ Thanks again.

vagabund132 - *August 7, 2014, 2:18 pm*

Thanks for this share, by the way, does anyone know VPN with which I can access hackforums? I can acces hf with my original IP but during that I am vulnerable and its maybe 5 hours daily which is much.

Thanks for these proxies, really HQ post

smtp-rdp-vendor - *August 15, 2014, 3:55 am*

Good job Op , keep it up . This could help many in getting fresh proxies

darkron - *August 15, 2014, 1:18 pm*

Good proxy list update, thanks. I will look further.

Appreciate your work, 3xp1r3!
Just a little heads up and and a .

Hopefully you'll keep updating this on a daily manner, I just started on some new crap and these really come handy on a daily basis.

Keep it up.

Thank you 3xp1r3, it's very useful, you're amazing!

Amuse - *October 19, 2014, 3:07 pm*

Been working on a rotating proxy program on Visualbasic. Been using these to test. (:

Do you run these yourself through cloud provider and change regions / providers / IPs, or do you have a "magic" dynamic list? Just curious. Can you vouch none of these are honeypots? Nice list, and nice effort to keep it updated. A Sys Eng looking around again. My old account was deactivated due to inactivity a couple of years ago. :)
