Thread: [\[Finished\] Alison Lohman Fanart](#)

LightBlue - July 9, 2014, 2:13 am

New drawing. Was planning on a fan art for a long time. I love how Alison Lohman looks, she has an unique face. Her movies, not so good ?

Anyway, I'll post all steps and update the thread occasionally. Leave comments and tips ?

Syria - July 9, 2014, 2:16 am

Looks like a great start to me man! Can't wait to see the final product.

Sunkist S0D4 - July 9, 2014, 10:20 am

OP pls make her look attractive, although keep it up. I'm looking forward to a final version.

Edit: Come on there are tons of models out there who make her look blah. Painting wise, its coming along quite well.

LightBlue - July 9, 2014, 12:20 pm

She's not attractive as is? I think she's stunning. Will do my best to capture her beauty.

?ichie - July 9, 2014, 2:32 pm

What's with the neck? It looks so wrong. What's the reference image you're using?

LightBlue - July 10, 2014, 8:09 am

The neck is fine. Using photos of her. I would show you but I'm on my phone.

Added new progress.

What the hell are you talking about?

Spoiler [\(Click to View\)](#)

Her neck and cheeks are ridiculously large/fat, it's disgusting.

Best of luck though

That's the way she looks, not my drawing at fault.

She's got a thin neck. It's definitely not "fine"

Okay thanks for your input. ?

The Purple Snail - July 10, 2014, 2:42 pm

Nice work, they are interesting pictures however I do think she looks a little older and as previously said the neck looks a little wrong on that one pic.

I also recommend you looking over her boobs ;)

Overall nice work and I am looking forward to seeing more!!

Yep she does look older and I will add the aging signs lasts so I don't fuck up the skin earlier. Also not sure why I'd need to look over her boobs. She's quite flat chested. Thanks for the input!

Thread updated with most recent progress. Should've done a step in between the blending and detailing because it took quite some time, but I forgot.

In regards to the neck:
Spoiler [\(Click to View\)](#)

Doing this does not make it better in my opinion:

works - July 11, 2014, 12:17 pm

Even though you finished the skin it still looks kinda blotchy,

None the less it's coming together nice.

Yes I should go into more detail but it took me hours already and skin is just super boring. Keep in mind I haven't had a chance to texture it yet, and need to add some crowsfeet (if that's even the english word) under her eyes, since she's not the youngest anymore.

Thanks works.

That's talent mate. Nice job and keep it up!

Looking forward to seeing what else you've got.

Turnover - July 11, 2014, 2:23 pm

The outline of her face is slightly rough and not exactly a smooth curve, the neckline is also slightly out of place.

Although as a piece it's quite good, I'd never be as good even with a couple of years experience.

[img]http://www.hairlock.be/files/tinymce/kraaienpootjes_1.jpg[/img]

This. Dunno what it's called in english but from my language to english it's literally crowsfeet.

Updated with the finished image.

Zen???????????????? - July 13, 2014, 12:22 pm

Oh god the neck looks pretty deformed.

LightBlue - July 14, 2014, 6:30 am

Thank you for the constructive criticism ?

Audi RS3 - July 14, 2014, 8:28 am

WOW im speechless that looks so neat you should sell it on a canvas. GL BRO

I'm sorry, it was just the first thing that popped into my head.
Let's see.

It looks really good besides she looks a little big in the face area compared to the rest of her body.
The neck also needs work as it doesn't look normal.

I would also work on smoothing the lines out around her back area at least. Those have rough edges.

Hopefully that helped. ?
