Thread: [\[Giveaway\] Proxy's OMC Recycling Thread](#)

Zanwald - July 15, 2014, 1:11 am

So a kind user; whom hasn't identified themselves; just gave me 60 OMC. I'd like to give this out to others and hopefully inspire others to help out and give. Everyone who posts with their OMC address will receive 5 OMC. I'd like to ask that anyone who has any extra and wants to help this giveaway go to higher proportions and last longer, please donate OMC to my address in signature. Let's get started!

Edit:

Obviously you may also simply contribute your OMC to anyone else in this thread!

Anyone who donates to me in order to extend this thread will be listed here along with the amount that they have donated. (PM me if you do this.)

Donations:

None so far!

Sent and thank you. I don't really see it as being very charitable if I'm biased about it. Only rep whores do that.
