Sent you a pm OP thanks for the giveaway I want to read it ASAP!

**LittleBobbyTables** - July 15, 2014, 6:48 pm

This is written pretty well. A couple of these methods I had vague idea's about what to do, but didn't have any idea on how to implement them. This goes through certain sites and various methods, even if it is quite short. It's straight to the point, no bullshit.

**Harsh Gupta** - July 15, 2014, 8:13 pm
