See something you don't like? Post about it down below. We're looking for feedback on how we do, the quality of our work, the sections you dislike, as well as the sections you'd like to see. Want to see something about the latest Japanese fashion? Tell us about it! We may include it in the near future. If you'd like to tell us something you'd like to see in a certain section that already exists in the current news editions, please tell us so. We're looking for feedback on how we do, so be as specific as you can!

To put this in simple words: Post down below your opinion on the current AA Weekly news. If you dislike it, tell us why. Don't be afraid to tell us what you don't like about it and we'll see what we can do to improve on the matter. Like something we did? Read something interesting? Tell us about that too!

Thanks for taking your time to read this thread.

Hey Happeh long time no see. I just recently read an AMA done by Crunchy Roll on Reddit. One question specifically was pretty controversial that question Crunchy Roll and how it seems to be a monopoly when it comes to licensing for shows, alongside things such as it's sub par subbing, and lackluster technology. Not really a suggestion but I think it would be interesting if you could do a piece on Crunchy Roll a site tons of anime viewers use. From it's creation, to it's dominance, to it's unanswered questions. Thanks and keep up the work.

Something like an independent report? That's actually quite a cool idea. I'll think about it but this would be something that would take a lot of time and effort, something I'm running out of.

Yeah exactly. It would just be a cool way of looking at the industry and it's struggles as it progresses in the west. Most people just log in to their account and think nothing of it, when a lot has gone into getting it there.

Happeh should make you are someone else into a reporter for the AA section. Report on things that readers would like to hear about

I second this.

It's great and everything is well written imo.

It'd be nice if you guys can add Underdog Anime of the season, I see alot of people always making thread about popular anime of the season example this season

Tokyo Ghoul
Glasslip
Akame Ga Kill
Terror
SAO 2

ect ect

We need an underdog anime highlight like Barakamon is extremely good and not talked about much, its almost as funny of an SoL like Non Non Biyori tbh.

No? Tokyo Ghoul was actually one of the most popular and anticipated due to the Manga.

Well I'm interested but these would be specials that sporadically happen just due to the effort.

I'm interested again but need someone to write this. Maybe during our expansion, we'll see. :)

Polls might be able to help reduce the bias.

But I concur it will always be biased.

It's only an idea, yes it can be altered so its less biased instead of forcing just 1 person opinion.

Chips Ahoy McCoy - July 19, 2014, 4:57 pm

My favorite part of the AA Weekly News would have to be the Anime Highlights. I enjoy reading them and more than likely they show me new shows that I go and check out. (Such as Another and AnoHana, Which are currently two of my favorites.)

Black Hole - July 19, 2014, 5:50 pm

I've voiced this idea before but an upcoming or "cons of the week" section might be in order. There are conventions happening all over the world all the time and many may not be aware of ones in their area. If no one wants to take up this spot, will try and fill the role myself.

Kina - July 19, 2014, 6:56 pm

I move to abolish the loli of the week section.

If that's how everyone feels about it, I guess we can try to fill it in with something you guys actually like. I'll talk to Happeh about it.

We're just 3 random people, but I kinda feel that a loli of the week, well kinda makes the AA section look bad you know what I mean?

King Cin - July 21, 2014, 4:42 am

Fukami Touko picture of the week would be pretty good.

Happeh - July 21, 2014, 10:28 am

Well it looks like we have first bit of big feedback. I'll have a chat with Tweety, but if loli of the week is removed, what would you guys like in its place?

I liked Black Hole's idea of doing a cons of the week. Make a list of anime conventions, gatherings, or events, across the world.

Would be for everyone and useful.

Happeh - July 21, 2014, 10:54 am

Still would like to do cosplay corner but need to find willing writers. We're expanding soon so all of this is prep.

Have a look at the AA writers recruitment thread if you would like to volunteer. ^^
