If anyone would like an invite to join the Update Beta program, drop me a PM with your Gamertag and I'll send one out to you.

I'm interested in joining the beta, I participated in all of the beta's for the Xbox 360 and that was pretty cool. I'll message you about it now.

I've invited you, Roger. Hopefully Xbox contacts you soon with all the information you need to enroll in the preview program.

Sounds like a plan, bud. I will be sure to drop you an invite before I leave for work. I'll reply to your PM once the invite has been sent.

Xbox should contact you within the next few days if you've been accepted.

Just posting here in case I haven't responded to your PM yet.. Everyone who requested an invite to the beta program should be all set now.

I've sent out the invites and I'd like to wish you all good luck on being accepted.
