Spoiler ([Click to View](#)) (Jul 20, 2014 02:15 PM)Wopy Wrote: [\[CITE\]](#) I have received a vouch copy of this guide. The methods are not public as said in the thread design. The methods in the guide are very detailed and have a lot of potential for gaining slaves. Very well written and a good deal for price.

It is not the same name and not the same product I assume.
