This montage was fucking amazing IMO, it rivals Str8 Rippin's montage from back in the day.

Turtle???? - July 19, 2014, 6:00 pm

Yeah I watched it earlier, this montage is definitely getting HYPE :p. Only montage better is Legacy.

LancerImpact - July 19, 2014, 7:15 pm

i watched some of it

but i just cant watch over 20 min of clips

Roger Waters - July 19, 2014, 7:29 pm

Snipetality still makes montages? I remember him from when I first started playing Halo 3, when he wasn't that known as some of the other montage makers. Man, has he come a long way in the last few years.

Monk is TBSA - July 19, 2014, 7:46 pm

Surprisingly watched the whole thing, although only the first 13 minutes are relevant. Kappa

indicud - July 19, 2014, 7:51 pm

I couldn't imagine editing 23 minutes lmao, my final reach tage was so short and took like 20 hours to edit.

That's exactly what I was thinking Kappa.

Turtle???? - July 19, 2014, 10:07 pm

Ehh the reach stuff wasn't terrible but wasn't great either.

Sir - July 19, 2014, 11:30 pm

I watched like 8 minutes of it, really sick, but way too long.

Redwall - July 19, 2014, 11:44 pm

I'm sorry couldn't watch a 20 MIN + montage.

The editing is sick and the intro is nice, but don't see how somebody could watch this entirely.

It's way too repetitive man.

Not feeling the montage.

And watching average kids with average gameplay isn't?

Id say watching full gameplay is more entertaining than a montage, but thats just me.

Very nice, this is a great video. Thanks for the share.

Same here, I'm surprised.

I couldn't make it past 5 minutes. That intro was a cringefest, tried to be all serious and shit but it just turned out generic like a rip off of Snip3down or Neighbor & Hysteria's intro. There's no excuse for using a song that terrible either. I'm hoping the editors from 2010 will come back for MCC.

HollowSquad - July 20, 2014, 2:44 am

Other than the snipedown montage edited by vidol,this would be my second favorite montage.

Hiprepose - July 20, 2014, 7:58 am

It's so sick! Like starstruck said it is super long, but there's never a dull moment. Good post OP :) enjoyed the watch

Indica Only - July 20, 2014, 9:22 pm

Very great watch. I am also an editor and to the people bashing on it....your work isn't even close to being remotely better.

#H3F The good ol' days.

Rofl Gun - July 20, 2014, 10:47 pm

I enjoyed the intro very much, especially since it did not try to show Ace's life outside of Halo, as previously done by Neighbor + Hysteria's dualtag. The songs and how they were synced into the gameplay is what allowed me to watch the entire thing. Great montage!

Radillac - July 21, 2014, 12:24 am

23 mins has to be a record for halo montages

King Joey - July 21, 2014, 9:17 am

This montage was definitely outstanding. Watched every minute of it. Great montage!

Are you King Joey or something like that XBL? We played a few games together on a random tag. You went pretty positive every game that day. GGs

I King Joey I is my tag. Wish I had just King Joey, I'd buy it for sure.

Creepy-is-Trash - July 21, 2014, 2:35 pm

I think it was a good montage, but is a little too long. (I even got clipped :/)

Overcome - July 21, 2014, 4:09 pm

It was nice to see a quality montage being released as it's been quite a while. I don't like that reach is always edited to techno/dubstep though, makes it less intense.
