This eBook looks great, might look into buying it.

tacoman_71 - July 20, 2014, 2:39 pm

Does this have to do with selling keys? If not I might buy if it had more proof and reviews.

Hidden™ - July 20, 2014, 2:46 pm

No, there is no selling of counterfeit items, keys, or drop shipping.

Also, thank you for the vouches everyone. It means a lot.

CatDoge™ - July 21, 2014, 9:33 am

got a question!

if i buy the \$10 package and need help, can i send you another \$10 for an upgrade?

does it involve scamming in any way even if its greyhat?

RiotServices - July 21, 2014, 9:43 am

Wow so many people already purchased and vouched but there is no link or clickable imgs to buy it so i'm not sure how that happened.

CatDoge™ - July 21, 2014, 9:55 am

just contact him via pm or on skype^^

Hidden™ - July 21, 2014, 10:01 am

Yes, you can still ask me questions if you buy the 10\$ package. I won't ignore my customers!

Freddy K. - July 24, 2014, 11:53 am

Almost have enough cash for this ebook. Can't wait to buy!

Hidden™ - July 24, 2014, 11:56 am

You won't regret it! I will accept Skrill / BTC / and OMC!

CoolPenguin - July 27, 2014, 10:51 pm

How many BTC for premium package? Refunds still applicable for BTC transactions? Looks great I'm seriously considering purchasing this method.

One last question. I have a long-lasting personal eBay account. This is within all eBay's ToS's, correct? I won't be flagged for using this method?

Thanks

Hidden™ - July 28, 2014, 12:13 pm

Yes, all currency is refundable. However after 3 days for the 25\$ version there is no refund.

This does not violate the eBay TOS in any way shape or form.

drawbackK - July 28, 2014, 1:49 pm

Do we have to do any physical shipments in this method?

Hidden™ - July 28, 2014, 2:56 pm

Yes but it is nothing hard to ship.

Kr?nus - August 1, 2014, 6:59 am

I bought this e-book, and I have to say that I really love it! Even if I vouch for The Entrepreneur once, I have to do it again... I've made pretty nice sum of money so far. :)

Hidden™ - August 1, 2014, 7:05 am

Thank you for the vouch, I have contacted all potential buyers.

Fanatics - August 2, 2014, 8:23 pm

Does this method risk having the ebay account closed or paypal limited ?

Hidden™ - August 3, 2014, 6:35 am

No, there is no risk legally or finically.

Mons - August 3, 2014, 11:28 am

TheUNCONN3CT3D - August 3, 2014, 2:30 pm

How would I go about getting a refund if I purchased the \$25 package?

Hidden™ - August 3, 2014, 2:32 pm

I would simply issue you the refund. I will not however accept the 25\$ via paypal for some users.

Uehm - August 3, 2014, 3:51 pm

Massive vouch. The ebook wouldn't have worked for me. I asked the seller to issue me a refund and he did it straight away.

It'll probably work for most other people however.

GLWS OP.

Hidden™ - August 3, 2014, 4:00 pm

Thank you for vouching, I am sorry this could not work out for you.

Radar7 - August 3, 2014, 6:07 pm
