Tl;dr,
Trading Chaturbate account for paysafe card,
Paysafe site didn't work
By him some minecraft upgrade shit.
Did that,
He sent me a picture of sand and memes, and doge.
Spammed me with skype calls "my nigga my nigga my nigga" (poor quality too, get VAC)
Hasn't responded since.

He's a downright scammer, open and blatant about it too.

Do you have a picture/conversation of him sending you the "account" that would help.
This looks valid though, GL.

Yes, but still. It was your property that shas been stolen. This could result in an emotional affection of the victim. I'm glad you don't care too much about it.
