FREE STEAM THATS GOT MW2 on it with 60 hours gameplay to WHO EVER POSTS THE FOLLOWING VVVVVV

[img]http://img153.imageshack.us/img153/558/39448503.png[/img]

post must contain you counting to 100 for lols or you dont get the account :)

eg

Code 1,2,3,4,5... etc.. all the way to 100

then awnser 3 maths questions (i cant stop u using the calculator so go sick init)

1. Is 4 a factor of 106 = yes/no
2. What is 12 times 60? =
3. Add together 2.6 and 5.7 =NO CHEATING !!! lol XD :D

first person to post the right answers WIN the account XD

must be a ub3r or l33t !!!

no joke you will get the account :)

Unfortunately none of you followed the format for counting besides like 1 person and me..... its harder to type all of the commas in... I think that the first person with all the commas typed in and the questions answered should get it.

KoG Khaos

EDIT: ACTUALLY I WAS THE ONLY PERSON TO USE THE RIGHT FORMAT!!!!!!!!!!!!!!!!!!!!
