The opening to your Hf name is pretty good, probably the best this season.

Guilty Crown OP.1 was my favorite actually.

Vegas - July 21, 2014, 7:49 pm

I guess if I had to choose a favorite it would be the Evangelion opening (cruel angels thesis) but I really like Highschool of the Dead's intro, Gurren Lagaan and Soul Eater's intros and ichirin no hana. Oh and Fukai Mori, can't forget the classics.

So, what are yours?

My feelings are the same, of all the anime I have watched it is definitely the opening and ending 'credits' for Death Note that always make me feel pumped for the episode.

eight - July 22, 2014, 1:55 am

Both Soul Eater intros and Noragami's.
