STATUS: {CLOSED}!

I received A LOT of requests. I will get the requests sent before this service temporary closed done. Please do not PM me about the free design from now. I will re-open this in a few days.

Hey HF,

today I will be offering my free gaphics service for ambitious projects or services!

UB3RS ONLY!

Some of the previous thread designs I've done:

If you are interested in a thread design, simply PM me with the details.

Terms of Service:

- 1.) I have the right to deny any request.
- 2.) I am doing this service only for UB3RS. Don't even bother asking me for a thread design if you are not UB3R.
- 3.) I am doing designs for ONLY ambitious services/products.
- 4.) Creating a thread design might be a bit longer than u expect, so please give me some time.
- 5.) By requesting a thread design you agree to these ToS.
