Thread: [Xbox One Dash Update Preview Program Invite](#)

Red S?x - July 23, 2014, 6:15 pm

Changed up the title and updated the OP about this. This was posted back when the August update was released and I'm bringing it back to life for those of you who wish to join the program.

Send me a PM with your GT and I'll invite you.

Never heard of this update :o PMing you now so I can get the invite :D

Also, this is off-topic but I do not have a kinetic and when I get sick kill-cams I really can't say 'Xbox Record That' which piss's me off :(Is there a way anyone knows about in which I can quickly record something by a press of a button or w/e. Also, I don't really want to snap the Game DVR to the right-side of my screen :(

If you don't have a Kinect and you can't do voice commands, you'll have to have GameDVR snapped on the screen. It wont show up in the recording, but that's the only way bud.

Posting on this thread to basically revive it, lol. If you'd like still to be invited to join the Xbox One Beta Program, PM me with your GT and I'll invite you.

Why not make a new thread offering this service. I thought there was a new Xbox One update.

So what's the difference? Looks the same to me.

Tyler? - December 19, 2014, 1:47 pm

How long does it take to get into the program?

I had someone invite me yesterday but I haven't got anything about it yet.

Believe it or not, Microsoft actually reviews each account that gets invited so you're manually selected. I usually tell people to wait about a week until Xbox Live contacts you.

Oh ok.

I'm not in a rush. The most I'll enjoy right away is the Halo 5 beta.

trolinity - December 20, 2014, 8:37 am

How do I get invited?

This sounds interesting

Decoto - December 20, 2014, 10:54 am

Whats new with this update? I might be interested.

Deany - December 20, 2014, 1:00 pm

Do they still send out h5 beta codes? Still never got mine. :(

Red S?x - December 20, 2014, 4:13 pm

Everyone that needs to be invited, please PM me. It's easier for me to keep track of who's actually been invited, lol. If you received a PM from me that means you've been invited.

Longdover - December 20, 2014, 4:39 pm
