Thread: [My awards](#)

'Snorlax - July 25, 2014, 12:10 am

Please stop sending me PMs about this. I got these awards for a reason, and I do not wish to keep telling everyone how I got them.

Trust the rumors if you want. The correct reason has been revealed multiple times by other members.

If you still wish to know why and how, go ask around. I won't be the one who will tell you why and how I got them.

Another member has an award that I want. They said they got it by doing X.

How another member obtained an award should not be your concern and it's not a path for you to gain the same award. Awards are given out solely at the discretion of admins.

Thanks for reading.

Omniscient - July 27, 2014, 12:52 am

No, please...everyone send him a PM and waste his time asking about how he got awards and ask him his advice to get your own award. I'm sure he's more than happy to help everyone by answering all your questions via PM.

Krew - August 20, 2014, 4:01 pm

Soooooooo, where did all those awards go? ??

Marshall Mathers - August 20, 2014, 4:02 pm

1. Snorlax doesn't say anything about scamming. So your point is invalid.
2. If you was right that rep would of been removed by Admins before repfucking Snorlax
3. That doesn't explain his post count and award going missing.
4. Nice try though lol <3

Damn it you know this means we all have to redo our revenge rep on Snorlax now right?

Anyway, we'll see what happens.

But the rep isn't referring a chargeback done on him directly. He's just explaining what the year 2222 ban means.

t0rch - August 20, 2014, 5:34 pm

As for the posts regarding the rep 'Snorlax gave I'm almost certain that the "scammer" only applies to deals within HF. He mentioned in the rep it was a chargeback to Riot there for it's an off site matter.

So this situation is bullshit
