Mr.Peanut - July 25, 2014, 10:14 am

She hasnt really said anything though

Daddy???????????? - July 25, 2014, 10:15 am

You should update the OP with this: <https://hackforums.net/member.php?action=profile&uid=44755>
As the profile you linked wasn't the one with so many awards.

Aurora - July 25, 2014, 10:17 am

Revamp - July 25, 2014, 10:20 am

You guys do know that Black Shadow used to have a bunch of awards too, but he got them removed.

Dex? - July 25, 2014, 10:20 am

He and Omni met up and they ended up having sex.

Snorlax took a drunken picture which he discovered the next day and blackmailed Omni with it.

B?STILLE - July 25, 2014, 10:22 am

Talked to 'Snorlax last night. Basically 'lax wanted some awards removed because they annoyed him. Omni removed them and some other awards. He got mad, Omni got mad, Snorlax got all of the awards.

DpzFAsq4UEK8 - July 25, 2014, 10:40 am

His profile fucks up the HF layout now ?

Albert - July 25, 2014, 10:42 am

Pretty cool he got those awards, man I'm jelly.

Chrazy - July 25, 2014, 10:42 am

Lol I think it's awesome he's got all them awards.

TheNakedEmperor - July 25, 2014, 10:45 am

And I can count my awards on my 3rd hand

Mutiny - July 25, 2014, 10:45 am

Wait so does that mean:

(random scenario)

What if a l33t user or just a non-upgraded issue had awards removed then both got mad and then the non-upgrade or l33t (whichever you prefer) then got all the awards would that mean that the

user who would not have been ub3r would have gotten ub3r? lol

^ that was just me thinking of stupid shit

Slot??h - July 25, 2014, 10:49 am

I don't really understand the point of awards, they just take up space in the postbit.

AnimalMother - July 25, 2014, 11:01 am

It's pretty cool seeing a member with every award.

Infinity. - July 25, 2014, 11:04 am

No, nothing to do with donations. Just a way if saying "here, don't message me anymore".
