5/5 Vouch Copies Available!

This is the BEST \$9.99 Ebook on HF Right now!

PoisonKnife - July 26, 2014, 12:38 pm

I was given a vouch copy and this is a honest review of the ebook being sold in this thread.

The ebook in this thread consists of 5 methods.

I'll say it straight away: None of the methods are original. I have read everyone of them before, just written in other words.

Method 1 will not work as described - You will need an investment to get it to work.
How big investment depends on how much you want to earn.

The ebook claims you can earn \$20-\$50 each time you use this method, but in order to make a profit like that, you need an investment on at least \$200+

Method 2 could work, but if you get scammed by the person you work together with, you will not earn from this method. Instead you'll loose money on it.

But if everything goes well, you will have a small profit from this method.

Method 3 could work, but it depends on you entirely. If you fail when using this method, you could loose money instead of making a small profit.

You also need an investment for this to work and I highly doubt you will become rich using the method.

How big investment depends on how you choose to use the method, but if you follow the example giving in the ebook, you will need an investment in the range of \$25-\$35 +/-.

Method 4 will work, but, again, you'll not make a lot using it.

Method 5 is very similar to method 4, it just takes another angle.
You'll not make much from this method either, but yeah, I already know some people are using it to make some pocket money.

You just have to make sure, you're working with people you trust, because if you get scammed,

could loose money.

All in all, the methods in this ebook is not original and I have seen them all before on more than one occasion.

Is this ebook worth the \$9.99?

No. It seems like the author found 5 methods on the internet and rewrote them.

Save your money and get another ebook or buy a coke.

There - *July 26, 2014, 1:15 pm*

Let me know if there is any vouch copy left.

Aurora - *July 26, 2014, 1:15 pm*

I'd like to take a vouch copy and leave a review for you.

kingxd - *July 26, 2014, 1:45 pm*

I would like a vouch copy, thank you in advance :)
