I need a circular design created similar to the one below:

Instead of 'Hype' in the center i would like it to say 'NARX' in a similar font OR instead of putting words there, you could put this icon: <https://i.imgur.com/Zjri9T6.png>

Do not copy this directly as i will be using it on clothing. I'll also hook whoever designs this for me up with some free clothes ?

I might actually be able to do this for free. Ill just try and update this post later :p

EDIT: actually, could i use the SAME image as the image you posted, with just that icon instead of hyper?

I would prefer if you could change the circle of >>>>s with something else as il be getting this put onto clothing and I don't really want to copy them directly mate ?

If you can do it il happily pay you and shoot some clothes your way once produced.

Or this: http://openclipart.org/image/2400px/svg_to_png/189657/Double_Cutted_Circle.png

Oh my god you beast, that's a great idea.

What do you think of this:

That ring icon you linked for the ring, the N logo I put in the OP in the small gaps in that ring then NARX in some sort of text in the middle?

Let me know if you're still looking for this.
Send me a PM. I'm open for new projects.

Blue ([Click to View](#))

I will remove my watermark once paid if you choose me.
