Thread: [Minecraft Account Contest - 5 Winners | Upgraded Members Only](#)

flux. - July 27, 2014, 3:13 pm

It's simple, select a number between 1 and 6 and I'll put you in the list below. This is open to premium members only, this is because I've already hosted a contest for all members. I like to vary it up.

[The Conjuror](#)

[Jordana Brewster](#)

[Unix1337](#)

[Albert™](#)

[M?tt](#)

[Turtle](#)

There are five winning slots. Good luck.
Will end when all slots are taken.

6 was the number that was selected, therefore all others won. Sorry Turtle!
