Thread: [How to know if you are eligible for ub3r & how to apply?](#)

**Matt Bomer ??** - July 28, 2014, 7:35 pm

Right now since I am a relatively new member, I can tell that I am not eligible for ub3r, yet I intend to upgrade if approved / when I have become a Higher Quality member. So to start off I'd like to know the requirements to be approved for ub3r, (if possible). Second of all I'd like to know how to find out if you can be approved/apply. Also this may help any other curious members.

Please help since I am still not 100% aware of all the stuff on the forum.

Thanks. - Matt Bomer.

No one knows the requirements to become ub3r.

Apply when you think you're ready. #900posts

When you're eligible, that page will become available to you.

When you're eligible, that page will become available to you. The page is available to everyone that is l33t. Not if you're eligible.
