I know i'm not the owner of this but i can make sure they will last a very very long time. The Spotify Premium accounts has "Auto" renewal every month which means if you don't change the password you will be able to have it for a long long time :)

Since the accounts are "hacked" they last different amounts of time. One could last a few days, well anther could last for months/years.

Hm, do you know how to PM?

No?

I believe "wtf" is not required to ask something nicely

Rapierz - June 28, 2015, 6:51 am

Cracked some new spotify accounts! Will update it once I see its sufficient

Rapierz - July 5, 2015, 4:58 pm

Nah...its not webbased =) Its a awesome software

musiclove - September 25, 2015, 2:36 pm

Will the account work for at least 12 months? if I buy lifetime, or will I have to be constantly generating accounts everytime one dies?
