I might be interested in this, going to PM you OP.

Le?git - July 30, 2014, 9:42 am

This is a good eBook, I haven't seen the method ANYWHERE before, it's very well written and easy to read. The eBook goes very in-depth to the method, so I believe that anyone could do this. Overall I would rate this 9/10. There aren't any pictures, not that any are really needed, but some would help. He provides support over skype, and gives links, and bonuses to things inside, I would recommend this eBook to anyone looking to make money from Minecraft, easily, with little investment.

Caesar - July 30, 2014, 10:29 am

Thanks to everyone - for your interest in this product.

This method is not known yet and I would like to keep it that way.

Price will be 6\$ for now, but it will either rise or I only give out a specific amount of copies, because I want it to stay unique somewhat (even though this method won't get saturated, so you don't have to worry about that - no matter how many people use it), not sure yet what exactly I do though.

Means better get it before it's too late (& I am not just saying this to get more sales, but if you want to risk it, go ahead).

I will keep posting updates and adding more features/methods to this book aswell, I'd say it's a good life investment and you won't regret it and let's be honest - 6\$ is nothing.

Due to those reasons: I won't be giving out vouch or review copies anymore, if you are seriously interested in those methods those 6\$ won't hurt you I am sure, but to me they help a lot and they make it worth for me to continue producing stuff like that for you, so please don't ask me to get it for free.

Freddy K. - July 30, 2014, 10:47 am

Will this method be saturated after tommorow?

(Jul 30, 2014 10:47 AM)Huzuni Wrote: [\[CITE\]](#) Will this method be saturated after tommorow?No it won't - it's not known and IF anything will happen in the future I will instantly update it with new methods, I understand your concern - but don't worry about that.

Polite, trusted, legit.

There are infinite amounts of qualities this guy possesses.

Don't hesitate :D

Vouch for my buddy :)

If you are seriously interested why don't you just purchase it instead of begging me to give it to you for free ?

It's only 6\$ and I guarantee you get the money back (+a lot more) in no time.

GrandTheftAutoIV - July 31, 2014, 11:28 am

Vouch for caysor. HQ member. And he loves me :P

Caesar - August 2, 2014, 12:35 pm

Price has been changed to 8\$ (like announced earlier) due to obvious reasons.

100% MONEY BACK GUARANTEE, incase anyone is still concerned if this is legit - this might give you a safer feeling.

SeaHorseShooter - August 2, 2014, 4:39 pm

Quick question. How long does it take to make money?

Depends on yourself, on how much you work, but it's not unlike that after a few hours/the first day - you'll have an stable income, from different sources.

MatiasMunk - August 4, 2014, 8:38 am

Very nice method, I must say, I already knew about this, and most people do.

But nontheless, it's a nice method which can gain you hundreds of dollars.

Vouch.

Vouch.

Thank you for the vouch.

I didn't saw many people knowing this method yet(asked a lot though, before writing this) (and especially never saw it that detailed written down), therefore I thought this would help out a lot of people in making money.

Also to everyone else:

I am currently working on an update which includes 2 more different methods.

I will release this as an update, means everyone who purchases now, or did purchased in the past, will get the updated version for free - incase that might interested some more people.

I'm not sales trashing, just asking a legitimate question.

You're selling a method, which makes you 500-1000\$ a DAY, (3500-7000\$ a WEEK), but you're selling it for 8\$? Even if you sold 400 copies, you would only make 3200\$, which you make more in a week using your own method, AND risk burning the method. Something doesn't add up here, and it seems as if this is a reoccurring theme in the ebook market.

where you are coming from.

Let me explain:

I used this method for a while and made some insane money but I stopped a few days ago simply because I am not into minecraft anymore nor in need of the money.

I am using different methods now myself to make money, incase I ever need some quick \$ - which barely happens though, to be honest - I saved a lot up during the time I used this method.

I thought I wanted to share this method anyway(for the people who are interested) and write it down/sell it for a small price - I could give it out for free, but there's a little bit effort behind this work and I consider this more of a "small donation to the writer for the effort" than a "real sale" myself.

To be honest, I am not in need of the money I make through this ebook sale though.

Otherwise I would probably give out more vouch copies too, to increase my sales, or some other shit.

Price has been changed.

Simply because I don't want this to get overused.

I hope this prevents leaking aswell.

Zeeks - August 7, 2014, 10:55 am

vouch, legit guy dealt with him before and everything went smoothly with great support over skype.

This transaction is no different a great ebook with a great unique method dont hesitate to buy.

CryingMidget - August 7, 2014, 11:21 am

All around nice guy, always willing to help. He's as legit as they get. Vouch for Caesar!

Caesar - August 7, 2014, 4:38 pm

Thank you very much everyone.

Only a few copies left before price will rise again accordingly through sales, wanted to point that out.

Want this to stay somewhat unique and rare.

Current price: 25\$

- 25% for social sharing !

Also hit me up for resell rights, or affiliate program, if interested.

Yes, it does include creating a server.

Not sure if this method still works, if not - you'll get a refund.

Thecrafteur75 - April 10, 2017, 10:30 am

This method doesn't work anymore actually, it's saturated. Would like to get a refund (al****@bu****t.eu)

Thanks.

youe123 - April 10, 2017, 6:25 pm

Hey. I just bought this, and wasn't expecting this. I can't do anything with this method, I would like a refund. (ach*****21@gmail.com)

Caesar - April 11, 2017, 6:29 am

Didn't even knew this one still being open.

(Refund will be send out to those above, please send me a private message including your ID & email.)
