About The Shop

Hello Everyone and welcome to my GFX shop! This is where I can make anything my clients desire. I can make anything from backgrounds, logos, banners, overlays, you name it! I recently have been using TTG, but i would LOVE to start using this from now on! So sorry for the vouches on TTG.

Wow i really liked your portoflio . Seems like very skilled guy . Goodluck with sales mate !
And you should design to urself a thread sales that seems more professional
